

Pittsburghers Tramp Through 18-Inch Snow

The "Smoky City," Pittsburgh, goes all out white as an early March blizzard brings 18 inches of snow. Pedestrians walk to work down the middle of the street as traffic is halted by the snow. (NEA Telephoto.)

Treasury Taxation Program Received Unexpectedly Well

However House Committee Plans to Write Bill Independently

Washington, March 4.—(AP)—The staggering income tax increases proposed by the treasury for both individuals and corporations got an unexpectedly favorable reception today from house ways and means committeemen, although some thought the boosts might prove too steep.

Those who thought the increases were likely to be too severe expressed the opinion that "a more painless" method—such as a general sales tax—might be decided on to help raise the \$7,000,000,000 in new general revenue which President Roosevelt has asked.

It was evident that the committee intended to go ahead with plans to write its own tax bill independently, even though its members for the most part appeared in general accord with the broad features of the recommendations submitted yesterday by Secretary Morgenthau.

Morgenthau asked that congress raise \$3,200,000,000 more in individual income taxes—with a doubling of payments in the middle brackets—and another \$3,060,000,000 from increased excess profits taxes and a new war surtax on corporations.

To Study Effects

Increased and new excise taxes, revised estate and gift levies and closing of tax loopholes would raise the remainder, with allowance for the revenue that would be lost because of conflicting taxes.

Rep. Duncan (D-Mo) was one of those who said that the committee would want to make an independent analysis of the prospective yields of various increased rates, as well as the sociological and economic effect they might have "consistent with demands to meet the war problem."

Morgenthau flatly opposed a general sales tax during his day-long testimony yesterday and Duncan obtained from Randolph Paul, the secretary's tax adviser, estimates that a five per cent general sales tax would yield \$3,780,000,000 if nothing were exempted.

300 Guests of Dixon One-Stop Service at Party Last Evening

Last evening at the Loveland Community House the annual party sponsored by the Dixon One-Stop service, Neil Howell, manager, was held and more than 300 were present to enjoy the fine program. Charles E. Yale of Amboy, county farm advisor, was the principal speaker of the evening and he talked on the subject of the farmers' part in the war program.

The present national food surplus, the speaker said, is the result of the farmer's participation in the national program, which is now being used in feeding the allied nations all over the world. He indicated the necessity for increased production on the farms and longer hours for the farmer as the result of the shortage of labor. In conclusion he placed the agricultural profession in a classification as Soldiers of the Soil.

During the evening, motion pictures were shown of the farmers' part in the defense program, technical views of Dixon's Fourth of July celebration, together with views of points of interest in Lee county. Ralph Pierce of Ashton, well-known magician, entertained and refreshments were served.

The War Today!

By DEWITT MACKENZIE  
Wide World War Analyst  
(Telegraph Special Service)

Herr Hitler's spokesmen report that the Moscovites are massing "almost unheard-of forces" along the still snow-bound Russo-German front for a big offensive, and already are attacking on an unprecedented scale.

What impels this frankness is best known to the fuhrer, whose mind travels by devious routes, though obviously propaganda of some sort is involved. However, whole we may be doubtful of his purpose, there's no reason to question the statement, forsooth, dispatches from Moscow have substantiated it in general.

The Russians are preparing to cut loose with everything they can muster in an effort to crush Hitler before he can recover from the grievous hurts they have inflicted on him this winter. In short, the Reds appear to be getting set to stage their spring offensive ahead of time, while the snow still blankets the steppes and the expansive rivers are yet frozen.

That isn't surprising, for during their amazing counter-offensive the Bolsheviks have demonstrated time and again that one of the fundamentals of their success is to meet opportunity three-quarters of the way. Right now the Red chief is in difficulties and the Reds, like good warriors, are following up for a possible kill.

There's a tremendous stake involved in this coming struggle of giants, for the outcome of the battle is likely to tip the world-war scales definitely one way or the other. Moreover, there is the far reaching probability that only one of the two regimes will survive.

Therefore as these two greatest land fighting machines of the world maneuver into position, it's interesting to hear Britain's new leader of the House of Commons, Sir Stafford Cripps, say that if the allies when the three-year-old European power and is "likely to end the war sitting in Berlin". Sir Stafford, who until recently

(Continued on Page 6)

Stumped

Kansas City, March 4.—(AP)—Mother blushed and the cop pretended he didn't hear when the three-year-old Sonny whispered: "Tell him to shut up and go away from here."

A ticket for running a red light was imminent.

But when the youngster wriggled free from mother's hand, muzzled and shouted: "Get out of here and mind your own business!" Lieut. Barney Mahoney threw up his hands.

"I give up. You can go ahead, lady!"

Aged Oregon Man Lands in Dixon Hospital After Falling from Auto

William Kelly, 76, of Oregon, was admitted to the Dixon public hospital this morning about 1:30 o'clock when two friends took him to the institution to be treated for numerous injuries. Kelly was reported to have fallen out of a moving automobile and sustained numerous cuts about the head and forearms and one finger was almost torn from his hand.

LeRoy Burke, who lives about a mile east of Oregon, was located by Patrolmen McIntire and Wilson, and taken to the police station where he was questioned about the accident. Burke was reported to have stated that he met Kelly and Clyde Gigeous at an Oregon tavern last night about 11:30 o'clock and was requested by the two men to take them to their homes.

According to Burke's statement to the police, both men were in-

United States Navy Pilot Shoots Down Half Dozen Planes

Quiet and Reserved St. Louis Man Hailed as New Hero of War

St. Louis, Feb. 28.—(AP)—Quiet and reserved, Lieut. Edward H. O'Hare is a new hero America can take to its heart.

The 27-year-old fighter pilot was credited today by the Navy with the unparalleled feat of destroying six Japanese bombing planes in one day of action with the United States fleet.

Tall, dark and handsome, he still hasn't overcome the personal reticence that made him a bashful boy.

His mother, Mrs. Selma O'Hare, was a bit doubtful that he would want any publicity, even as a national hero.

But for herself she said: "I'm the proudest mother in the land". O'Hare was "a very good boy who was always a crazy about airplanes", she recalled.

However, outside of a few trips as a passenger, he maintained only a vicarious interest in flying until he was assigned to Pensacola.

Freighter Sinks in Crash with Tanker

Lewes, Del., March 4.—(AP)—The British freighter Gypsum Prince, 3,915 tons, sank two miles off Lewes today after a collision with the 5,090-ton oil tanker Voco. Five men are missing.

About twenty survivors were landed at the coast guard station here.

Navy officials said the Voco, owned by the Standard Transportation Company of London and chartered by the Socony Vacuum Oil Company, rammed the Gypsum Prince. The freighter sank in four minutes after the collision shortly after 6 a. m. EWT.

Owen James was master of the freighter, operated by the Gypsum Packet Company. His fate was not determined immediately.

Six survivors were picked up from a raft and 13 others were rescued by coast guard boats.

The Voco, damaged in the bow, was tied up at Lewes pending investigation.

It was the second collision in which the Gypsum Prince has figured. It sank a fishing boat, Edith and Ellnor, of 134 tons, in heavy fog off Nova Scotia Nov. 25, 1931, seven members of the fishing boat's crew being lost.

Abductor of Shirland Teacher is Arraigned

Rockford, Ill., March 4.—(AP)—William Lemar McKinney, 18, accused of abducting a school teacher last fall, was held to the April grand jury on \$5,000 bond after he waived preliminary hearing yesterday on charges of assault with intent to commit rape and armed robbery.

State's Attorney Max A. Weston said McKinney, who was returned from Los Angeles where he faced a burglary charge, confessed forcing Miss Marian Noel of Shirland, Ill., to drive him, at pistol point, in her car last November. Weston said she escaped in her car after they had ridden about 50 miles and McKinney had taken a small sum of money from her.

Fall From Roof Fatal to Endurance Aviator

Murphysboro, Ill., March 4.—(AP)—Albert W. Hunter of Sparta, one of the Hunter brothers who set a flight endurance record in Chicago several years ago, was killed instantly here late Tuesday in a 30-foot fall from the roof of a building being razed.

Hunter, foreman of a salvaging crew engaged in wrecking the building, fell to his death in the collapse of a rusty sheet of roofing steel on which he had been sitting. His neck was broken.

His oldest son, Ed, a member of the crew, witnessed the accident.

The victim piloted the refueling plane when his brothers established their endurance record.

The Weather

WEDNESDAY, MARCH 4, 1942  
Chicago and Vicinity: Mild this afternoon, not much change in temperature tonight, moderate to fresh winds.  
Special forecast for extreme northwestern and northwestern Illinois: slightly colder tonight.  
LOCAL WEATHER  
For the 24 hours ending at 6 p. m. Tuesday—maximum temperature 42, minimum 28; clear.  
Thursday—sun rises at 7:23, sets at 6:56 (Central War Time).

MacArthur's Little Air Force Destroys Enemy Ships--  
U.S. Navy Downs 16 Jap Bombers

Jap Hordes Score New Gains in Java; Outnumber Defense

Major Portion of Dutch Scorched Earth Plan Now Carried Out

By ROGER D. GREENE  
Associated Press War Editor  
Japan's invasion hordes scored new gains against outnumbered American, British and Dutch troops in the critical four-day-old battle of Java today, and the danger was now so acute that N. E. I. headquarters announced the major part of a scorched earth defense policy already had been carried out.

A Tokyo radio broadcast said Japanese mechanized units this morning reached a point west of the big Dutch naval base at Soerabaya, in eastern Java, and there clashed with "allied forces trying desperately to halt the Japanese onslaught."

Other enemy columns were striking toward the Capital city of Batavia, in western Java, where demolition squads already had begun to blast the picturesque 320-year-old town, and toward the allied headquarters city of Bandung.

Once again, a tragic story of allied numerical inferiority—in planes, ships and men—emerged from the struggle for this last United Nations stronghold in the Indies.

Crippling Naval Blow  
Dutch quarters in London said that only about 50,000 allied troops, among them "a few thousand American and British", were fighting at least 85,000 Japanese and that the United Nations naval force had suffered "a crippling blow" in attempting to halt the Japanese invasion fleet.

Previous reports said the Dutch had an army of 100,000 to 200,000 troops, reinforced by "many thousands" of American, British and Australian soldiers, to combat the enemy's sea-borne attack.

A bulletin from N. E. I. headquarters conceded that the invaders "succeeded in making some headway at some points" as a result of numerical superiority "especially in the air".

The extent of the Japanese gains was not specified.

Report Helfrich Resigns  
Highly reliable Dutch sources in London reported simultaneously that Vice-Admiral C. E. L. Helfrich had resigned as commander

(Continued on Page 6)

Jap Infiltration Into Vital Areas in West Stressed

Los Angeles, March 4.—(AP)—Southern Californians, who long have known that Japanese had infiltrated into defense vital areas, had that fact emphasized with startling clarity today. District Attorney John Dockweiler's office exhibited a map showing Nipponese hold leases on land in or adjoining nearly every strategic region hereabouts.

Japanese, alien as well as American-born, leased all of the strategic shoreline of the Palos Verdes hills. Some outposts of the harbor defense setup are in that area. Land under lease includes beaches which would be used for military landings, largely concealed by cliffs.

Near Vital Points

Other Japanese leases include land in or adjoining these vital resources:  
Every railway line in Los Angeles county.  
Owens valley aqueduct, which furnishes water to Los Angeles and many other cities in the county.  
Every major highway.  
Power line rights of way.  
Vultee, Douglas and Lockheed aircraft factories.  
Heart of the Signal Hill oil field and adjacent to Long Beach municipal airport.  
Virtually every major refinery and oil tank farm in the harbor area.

Thousands More U. S. Soldiers in Ireland

With U. S. Troops in Northern Ireland, March 4.—(AP)—Thousands more cheering, husky United States fighting men have arrived in a northern Ireland port to augment the force that has been in Ulster for more than a month, it was announced today.

Details of the landing of the fleet of transport and supply ships were withheld until the soldiers, their guns and their other fighting equipment had been scattered to the secluded spots throughout the six northern Ireland counties and the ships had left port.

Compared with the ceremonial landing of the first contingent of the AEF to Europe's part of the World war last month, the latest arrival was a routine job carried out with typical army and navy clockwork precision.

Like the first contingent, most of the latest arrivals are midwesterners who had been in training in southern army camps for a year. But there were some representative of every part of the country.

They came in full field equipment and with their guns ready.

Window Emblems Ready for Homes of Illinois Men in Nation's Forces

Springfield, Ill., March 4.—(AP)—Distribution of 150,000 window emblems for the homes of Illinois men in the military and naval services has been started by the "Illinois Guardsmen", publication of the 33rd division.

The circular emblems, about eight inches in diameter, consist of a silver star printed on a red, white and blue background. On them are printed the inscription: "This silver star of service proudly signifies the fact that this home has sent a man to fight for American liberty; to defend all that we hold dear, and to uphold the honor of our state and nation."

The stars are being distributed to local draft boards and to the public service of some newspapers. Others are being mailed direct to applicants through the office of Governor Green and the state division of department reports.

Illinois Sales Tax Collections Fall Off

Springfield, Ill., March 4.—(AP)—Illinois collected \$6,620,616 in sales taxes in February, or \$1,433,055 less than in the same month last year.

Making allowance for the reduction in the sales tax rate from three to two per cent, Finance Director George B. McKibben said the February volume of retail business in the state was 20.8 per cent higher than in February, 1941.

"The continued substantial gains in retail sales indicate that heavy consumer buying in general has not abated in spite of auto and tire rationing measures."

Public utility revenue last month was \$1,032,270, a gain of 6.7 per cent, but cigarette tax receipts of \$939,262 for February were less than the preceding month and liquor and oil production taxes also dropped.

Industrial Suburbs of Paris Bombed by RAF; Over 600 Dead

Plants Making German War Supplies Targets of British Bombs

BULLETIN  
London, March 4.—(AP)—A Paris broadcast recorded today by Exchange Telegram said that at least 1,500 people were killed and several hundred injured during last night's raid on the suburbs of Paris.

"Whole streets were destroyed and complete districts razed to the ground," the broadcast declared.

Vichy, Unoccupied France, March 4.—(AP)—The death toll of an RAF raid on the industrial suburbs of Paris last night mounted steadily today, as rescue work-

Legitimate

Washington, March 4.—(AP)—The British bombing of factories in the suburbs of Paris was a legitimate measure of war, acting secretary of state Welles told a press conference today.

Welles was asked for comment on a London report that "the bombing might mean the end of allied attempts to coax the Vichy government away from collaboration with Nazi Germany."

He replied that it was entirely clear that the bombings of factories in occupied France making war materials for Germany was a legitimate measure of war.

ers dug through the ruins, and shortly after noon was placed semi-officially at 600 with more bodies constantly being recovered.

Earlier, a communique had announced at least 442 persons killed, more than 1,000 injured and between 200 and 250 houses destroyed on the basis of preliminary information from the Nazi-occupied French capital.

Many of the wounded died on operating tables in hurriedly improvised hospitals where all available physicians in Paris were mobilized for the emergency.

One report said that of about 1,000 wounded in the Boulogne-Sur-Seine and Billancourt suburbs some 300 were feared to be dying.

(Continued on Page 6)

Urges Allies Take Example from Reds

London, March 4.—(AP)—Sir Stafford Cripps, government leader in the House of Commons, appealed to the United Nations to follow the "all-out" example of Russia in the world fight against nazism and fascism in a broadcast speech to the United States today.

"We now are all allies together to drive aggression and fascism from the world," Sir Stafford declared.

"After the victory let us remain in the same gallant company to rebuild a stricken world upon the foundations of justice and equality that will secure for us, for them and for all people of the world a happier, saner and more peaceful future."

He warned repeatedly that the allies' recent heavy setbacks would be followed by further reverses, but insisted that "modern war, on the gigantic and farflung scale upon which it now is being waged, is not finally won or lost as the result of territorial gains here or there."

"It eventually will be won by the resources in manpower and material that can be mobilized behind one side or the other," the former ambassador to Moscow and new Lord Privy Seal in the war cabinet declared.

In these, he said, the allies have overwhelming superiority and hence the present United Nations' outlook is not disheartening.

Eight Miles of Pipe Line Must be Relaid Around Defense Plant Area

More than eight miles of pipe line belonging to the Great Lakes Pipe Line Corporation, running through the 8,350-acre tract of land which is soon to become a defense plant, south of Dixon, is to be abandoned and replaced, it became known today. One of the first activities on the site, which may be started next week or as soon as the pipe and crew arrive on the ground, will be the re-routing of the line.

It was understood today that a break will be made in the pres-

Soviet Offensive on Battle Fronts Continuing Today

Moscow, March 4.—(AP)—Soviet forces have destroyed "about 50 centers of enemy resistance" and killed 650 officers and men in an offensive on the Leningrad front which still is continuing, the Soviet communique announced today.

Forty Germans were reported killed in one house alone when an infantry platoon tossed hand grenades into the windows. Twenty Germans heeded the call to surrender before the missiles were thrown.

Soviet soldiers slew 3,400 foes in two combat zones above Moscow in 48 hours of action this week and blasted an aerial supply base of the encircled 16th German army with shelling, the Russians also reported.

"On the Kalinin front the enemy lost 1,400 officers and men killed," the Soviet information bureau said.

96,000 Trapped

Between Kalinin and Leningrad lies the Staraya Russa sector, in which dispatches said a Soviet ring was gradually tightening upon the 96,000 or more men of the invaders' 16th army.

Heavy explosions and big fires developed on one of the airfields the Germans are using in an attempt to ferry supplies to the beleaguered men by planes under pounding by Russian artillery batteries, dispatches from the front said.

The Moscow radio reported that 51 German transport planes attempting to supply the encircled forces had been destroyed by Russian bombers in the past five days.

Adherence to the Russian theory of close cooperation between infantry and artillery was urged by the army newspaper Red Star upon reserve armies now moving into battle. Red Star warned that the Germans were moving up additional tanks and fighting stubbornly.

Nelson Orders Bidding on War Contracts Stop

Washington, March 4.—(AP)—Production Chief Donald M. Nelson ordered the Army and Navy today to bring thousands more of the nation's 200,000 factories into war production by suspending competitive bidding on arms contracts.

"Perfectly capable small firms" had been blocked from getting into war production, Nelson explained, because "under competitive bidding large concerns which already hold extensive war contracts are often able to underbid small manufacturers who are not doing any war work at all."

Nelson said that henceforth simple, standardized articles must be ordered by the armed services and the maritime commission from smaller concerns, leaving the larger plants free to concentrate on accelerated production of such items as tanks, planes and big guns.

Chased

San Francisco, March 4.—(AP)—A girl from Nashville over Honolulu in her training plane that Sunday the Japs came, was chased out of the sky by an invading plane.

She is blonde, blue-eyed Miss Cornelia Fort, an aviation instructor, just returned from Hawaii.

"I was coming in for a landing and my student had the stick," she related.

"Then I saw this plane coming closer, in violation of the air traffic rules. I waited for it to give way for me and then I jerked the stick out of the student's hand and pulled the plane up."

"As I landed, the student—a man—said 'When am I going to solo?' 'Not today, brother!' I replied."

"I had seen the insignia on the Jap plane—the Red Stars along the fuselage. But I still couldn't believe it. Then I saw the smoke over Pearl Harbor and decided it was real."

"In the second attack only five bombers of the enemy formation reached the release point. In this instance the salvo of enemy bombs was closer to the carrier than on the first attack but again no hits were obtained."

"Sixteen of the 18 attacking enemy bombers were shot down in this action. There was no damage to our surface forces. Lieutenant (J. G.) Edward H. O'Hare, U. S. Navy fighter pilot, personally accounted for six bombers of the enemy."

"In the two attacks only two of our fighter planes were lost. The pilot of one was recovered."

Army's Communique

The text of the War Department's communique, No. 133 of (Continued on Page 6)

Resourcefulness of MacArthur's Men is Shown in Air Raids

Navy Again Points Idea of Carrying Fight to Enemy's Positions

Washington, March 4.—(AP)—More than 18,000 tons of enemy ships have been destroyed in a spectacular raid by General Douglas MacArthur's small air force, and a task force of the Navy has blasted 16 heavy Japanese bombers out of the sky in a deep penetration of Japanese-mandated islands.

The double triumphs, while hardly major in character, served to show again today the amazing resourcefulness of MacArthur's little force in the Philippines, and to point up the navy's ideas for carrying the fight to the enemy.

One 10,000-ton ship, one 8,000-tonner, and two motor launches were destroyed in a surprise attack by MacArthur's airmen over Subic Bay. In addition large fires were started among enemy stores on docks of Olongapo and Grande Island, followed by explosion. Many small craft useful to the invaders were damaged.

Capital Impressed

Two things especially impressed the Capital in the account of the action of the Pacific force: First. Prohibitive losses had been inflicted on the enemy—only two of 18 attacking bombers escaped—a fact which spoke volumes for the effectiveness of the fleet's anti-aircraft gunnery and its carrier-borne fighting planes. The bombers failed to score a hit and only two American planes were lost.

Second: Fleet task forces were ranging farther westward, evidently close to the well-fortified Japanese Caroline islands, where lie such important enemy bases as Ponape, Truk, Yap and Pelew.

The Navy communique last night did not indicate how deeply the task force penetrated this general area of the Pacific. It said merely that the action had taken place west of the Gilbert islands—the British possessions occupied by the Japanese early in the war—which a fleet task force raided with destructive results on Jan. 31. The Carolines are west and slightly north of the Gilberts.

It was apparent, however, that the task force had come within striking distance of a Japanese base, for the heavy bombers that attacked were land-based aircraft that can not operate from carriers.

The task force evidently was carrying out a reconnaissance in some force with orders to inflict the maximum punishment on any enemy forces encountered.

Stirring Picture

The matter-of-fact language of the Navy's communique gave a stirring picture of the pulse-quicken drama and danger that goes with this initial strategy.

"In the course of recent naval operations west of the Gilbert islands," said the report, "a task force of the Pacific fleet consisting of an aircraft carrier, cruisers and destroyers, was attacked by 18 heavy bombers of the enemy operating in two groups of nine each."

"These attacks occurred in the late afternoon and were timed one-half hour apart."

"The Japanese formations were closely and vigorously engaged by our carrier fighter planes and by anti-aircraft fire from the ships of our task force."

Split-Second Maneuvering  
"Only three enemy planes of the first formation reached their bomb release point over the aircraft carrier which avoided all bomb hits by split-second maneuvering."

"The leading bomber of this group attempted a crash landing on the carrier and was shot down by heavy close-range anti-aircraft fire when barely 100 yards from its objective."

"In the second attack only five bombers of the enemy formation reached the release point. In this instance the salvo of enemy bombs was closer to the carrier than on the first attack but again no hits were obtained."

"Sixteen of the 18 attacking enemy bombers were shot down in this action. There was no damage to our surface forces. Lieutenant (J. G.) Edward H. O'Hare, U. S. Navy fighter pilot, personally accounted for six bombers of the enemy."

"In the two attacks only two of our fighter planes were lost. The pilot of one was recovered."

PAW PAW DORIS MEAD Reporter

**Powell-Ferguson Marry**  
Wilma Powell and Donald Ferguson were united in marriage Friday, February 27, in a double ring ceremony at the Baptist parsonage with Reverend Herman E. Meyer officiating. The bride was attired in a street length dress of blue with navy accessories. The groom wore his conventional blue business suit. Mr. and Mrs. Donald Ferguson were attended by Mr. and Mrs. Arthur Chowning of Paw Paw. Mrs. Ferguson is the daughter of Mr. and Mrs. W. Braid of DeKalb. Mr. Ferguson is the son of Mrs. Lawrence Gallagher of Paw Paw. Mr. and Mrs. Ferguson will reside in Rockford where they both are employed.

Their many friends wish to extend their congratulations to the happy couple.

**Wedding Anniversary**  
Mr. and Mrs. Earl Marks celebrated their 30th wedding anniversary Sunday. A very delicious dinner was served for the occasion and those attending to help the honored guests celebrate were: Mr. and Mrs. George Amundson, Mr. and Mrs. John Lark and sons Charles and Arlow of Earlville and Roseale Marks of Rockford.

**Basketball Party**  
Miss Nora Knetech entertained the Paw Paw high school basketball boys and their girl friends at a party Saturday evening at her home. The group had a fine time playing cards during the evening. A very delicious lunch was served the group after the evening's entertainment.

**Wedding Dinner**  
Mrs. Arnold Iverson served a very delicious Sunday dinner in honor of her brother Donald Ferguson and his bride, Wilma Powell, who were married February 27. A beautifully decorated cake was the centerpiece, with candles decorating the table. Those enjoying the dinner were Mr. and Mrs. Lawrence Gallagher, Mr. and Mrs. Arthur Chowning and the Iverson family.

**Goes to Philadelphia**  
Miss Annabelle Voigt completed her duties with the Home Ec department of the Paw Paw high school and will leave soon for Philadelphia, Pennsylvania, where she will be employed in the General hospital of that city. When at Millikin university Miss Voigt signed up for this work and now will go to prepare for army service as a dietitian. She will take a short training course in the 3,000-bed hospital. Prior to going to Philadelphia she will visit her parents, Mr. and Mrs. John Voigt of Beverly Hills. Miss Voigt has been in charge of music as well as home economics this past year and has contributed her talent generously in many of the programs put on in this community. All her friends extend their best wishes.

**Birthday Dinner**  
Mr. and Mrs. John Prentice entertained at a birthday dinner given Sunday in honor of Mrs. Frank Wiley of Scarborough. The guests for the occasion were Mr. and Mrs. Frank Wiley of Scarborough, Dr. S. C. Fleming, Mr. and Mrs. Fremont Wiley and son Bobby, Mr. and Mrs. John Prentice and son Jan, and Miss Rosemary Harbo.

**Finish Second in Tourney**  
The Paw Paw high school basketball team, coached by Howard Flancher finished second in the district tournament played at the Franklin Grove gymnasium. After being victorious over Walnut and Rollo, the boys dropped a heart-breaker to Steward in the finals, 49 to 48. The Paw Paw contingent have won 15 and lost 6 during the season so far.

In getting to the finals, Paw Paw had to face the highly touted Walnut team, which they defeated 51 to 33. Rollo was seriously handicapped with two men out of the lineup but that didn't hinder their fighting spirit. They battled hard all the way and kept Paw Paw stepping plenty to achieve their 55 to 36 victory. In the other game Thursday evening, Steward had an easy time of it,

secure a 51 to 33 victory over Earlville. Paw Paw will face Prophetstown Wednesday evening in Dixon.

**Locals**  
Mrs. Cecile Chapman spent the week end at the John Edwards home.

Mr. and Mrs. Homer Shriver and baby of Franklin Grove visited Sunday at the home of Mrs. Shriver's parents, Mr. and Mrs. Robert Coss.

A good number enjoyed the family dinner Sunday at the Methodist church.

Gene Martin was home from DeKalb last week end. He returned to Dixon for a visit at the home of his parents, Mr. and Mrs. A. D. Martin and family.

Miss Norma Rosenkrans came home Monday from Aurora for a short visit with her parents, Mr. and Mrs. Carl Rosenkrans, before going to Washington, D. C., where she will have a civil service position.

Mrs. Elsie Larson of Shabbona spent Sunday with her sister, Miss Bertha Goble.

Miss Pauline Powers of Chicago visited relatives here last week end.

Mr. and Mrs. Lynn Johnson visited at the Harry Prentice home on Sunday.

Mr. and Mrs. Albert Linden moved Monday to the Clyde Smith place and Mr. and Mrs. Ivan Urish and family have moved to the Mrs. Inga Otfedal farm.

Dr. and Mrs. C. L. Carnahan and son Clifton were Sunday dinner guests at the John Prentice home.

Mr. and Mrs. Don Terry and Randall Terry were at the Roy Terry home in Maple Park on Saturday.

Mr. and Mrs. Henry Bell and family have moved to the C. A. Boyle farm near Genoa.

Mr. and Mrs. Wayne Niebergall called Saturday evening on Mrs. Niebergall's sister, Mrs. Hattie Weiler at the Gilbert Krenz home at Mendota. Mrs. Weiler has returned from her stay at Los Angeles, Calif.

Mr. and Mrs. Orville Sutton of Meridian were Sunday supper guests at the George Eich home.

Bill Worsley has received word from the police of Muncie, Ind. that his auto has been found.

Mrs. Helen Truckenbrod has returned from Mendota to her home in Paw Paw.

Elzie Ulrey, son of Mr. and Mrs. John Ulrey took his physical examination for the service at Amboy on Monday.

Mr. and Mrs. Milo Betz of Fairbury visited relatives here Friday. They took Mrs. J. K. Foster and daughter Judy, who had been visiting at the Mrs. Sadie Betz home to Chatsworth for a visit at the C. G. Bartlett home.

Jesse Ketchum of Fort Knox, Kentucky, spent the week end at the home of his parents, Mr. and Mrs. Ben Ketchum.

Curtis Martin and Laverne Volkert of Waukegan were Paw Paw visitors last week end.

**Making a Soldier of Sugar**

As we have sent men abroad to fight for America—as we have sent money—as we have drafted steel, with other commodities, into fighting-service or enlisted wheat and other fighting-foods—so we must make a soldier of sugar.

Nutrient for the nations at war is as vital to the outcome as the powder that feeds the guns. A great nutrient in time of peace—in war a veritable sinew—sugar is now called upon to play a heroic part, to supply the peoples of our Allies—whose strength is ours.

To wrap up sugar in the American flag, so to speak, and put it into the fight becomes a duty of loyalty. It will be borne cheerfully by every industry, every dealer, and every individual it falls upon. Upon certain industries it falls heavily—and especially on the workers who derive their living from them. Yet the American civilian is in this war with the soldier. American business great and small, American capital from Wall Street to the remotest country bank, is with the Government every step of the way. The U. S. means U. S. All of us, are in the fight with everything we have, and the end of everything we can.

This company regards it a privilege to comply with the government's request, and to help in all manner of ways to conserve sugar.

The end of conservation we pledge our utmost efforts in every direction that opportunity may disclose, in manufacture as well as beyond the scope of our immediate interests; and in this effort generally we bespeak the co-operation of dealers and consumers everywhere.

THE COCA-COLA COMPANY ATLANTA, GA.

**WORLD WAR I 1917**

The United States Government restricted the use of sugar in World War I. The response of The Coca-Cola Company was expressed in the newspaper advertisement reproduced at the left.

*Again, Sugar enlists for Victory*

**WORLD WAR II 1942**

History repeats itself in World War II. Sugar has been called to war again. Our government has restricted the use of sugar for all. Naturally, that includes Coca-Cola.

You'll continue to find Coca-Cola around the corner from anywhere, though we regret that you won't be able to enjoy the pause that refreshes as often as you might like. Our volume has been reduced. But this we pledge: the character of Coca-Cola will be unimpaired. The American people can continue to trust its quality.

As in 1917, we count upon the patience of dealers everywhere. Conserving sugar is another step toward Victory. Whatever any of us may have, or may not have, Victory we must have above all else!

## CAMPUS NOTES

Among students whose names appear on the Dean's List for the spring semester at Duke University, Durham, N. C. is Miss Kathryn Dunkelberger, a former Dixon student, whose parents, the Lloyd Dunkelbergers, now reside in Denver, Colo. To be eligible for Dean's List, a student must have earned an average grade of at least "B" in scholastic work of the preceding semester. The honor carries with it the privilege of voluntary attendance in most classes.

## Announce Plans for Scout Week

Girl Scout Week, March 12-18, to be climaxed with a scramble supper pageant, and crowning of a Cookie Queen, was reviewed by members of the Dixon Girl Scout council, yesterday morning at the home of the Scout commissioner, Mrs. I. B. Hoefler. The Scout reporting the most orders for Girl Scout cookies will receive the recognition of Cookie Queen.

On Sunday, March 15, the Scouts will attend their respective churches in a body, accompanied by their leaders. Need for Christian leadership, and importance of church attendance as a character-building agency are being stressed.

During Scout Week, handicraft articles made by Scouts and Brownies will be displayed in store windows. The scramble supper will be served at 6 o'clock Wednesday evening, March 18, with all Brownies, Girl Scouts, their parents, leaders and council members invited. Mrs. Leo Dixon's program committee is in charge of plans for the pageant, based on the 10 interest fields of Scouting.

Mrs. James Palmer is chairman for the cookie sale, which is progressing successfully.

## NELSON UNIT

Mrs. Ward Hartshorn, Mrs. Edward Hollenbeck and Mrs. A. J. Hollenbeck were co-hostesses to Nelson Home Bureau unit yesterday afternoon at the former's home. Miss Marian Symphon presented the major lesson, "Preservation and Use of Home-Grown Food," and the minor study, "Women in the 1942 AAA Program," was discussed by Mrs. Roy Scholl.

Mrs. George Lair is to be the April hostess.

## MUSICALS

Beta Sigma Phi of Gamma Mu chapter have been invited to attend a musicale being sponsored by Gamma XI chapter of Sterling at 3 p. m. Sunday at the Elks club in Sterling. Appearing on the program will be Mrs. Ethel Pippert of Davenport, soprano; and Miss Martha Warner, Sterling, pianist.

## PRISCILLA CLUB

Mrs. George Kump will be hostess to members of the Priscilla club at 2 p. m. Thursday.

## Phidians Hear Paper on China

"Gung Ho," (work together) is the reply to Japanese invaders "Behind the Lines in China," Miss Jean Hitchcock told members of the Phidian Art club in a paper on that subject yesterday afternoon. Mrs. John Davies was entertaining the clubwomen at the Loveland Community House.

Miss Hitchcock prefaced her paper with reference to Prime Minister Churchill's tribute to "long-suffering, unconquerable China." According to estimates of the minister of war, she continued, China has five million soldiers in the field, ten million in training, are holding a fighting line of 2,800 miles, and behind them are guerrilla warfare and industries.

When the Japanese swept in, they seized 90 per cent of China's modern industry, and before them, 60 million refugees retreated into the undeveloped interior where no industries existed. Among this multitude were factory workers, mechanics, textile workers, deprived of an outlet for their skill.

China's only hope of fighting the invader, Miss Hitchcock reminded her listeners, was for the people to help furnish the soldiers and country's needs. In response to an appeal sent out to the refugees, they began to drag from the soil its gold, iron and coal to be used to win the war and build a new life for themselves.

Women with portable sewing machines, knitting machines and shoe-making equipment strapped to their backs, faded away like shadows to another village when the Japanese troops draw near. Along the bluffs on either side of a canyon in northwest China are rows of caves, in which machine shops, looms, shoe shops and other industries are located—and above every door is the Red Triangle and the symbol of "Gung Ho."

Friends from all over the world, the speaker said, are sending in funds to aid in the struggle to "resist the enemy and build a new China."

The greatest migration in the history of the world has been made by the Chinese people, the speaker said, referring to estimates that between 30 and 60 million persons have moved from the ocean inland to the west and northwest—people of wealth and culture, graduates of universities, as well as the common people—but when they reach their destination, they immediately begin to interest themselves in their former trades and professions. Universities have been started in laundries and temples, Y. M. and Y. W. C. A. workers appeared, and missionary efforts were resumed.

The Japanese terror is unifying the dialects of a language that years of textbook study would not accomplish, Miss Hitchcock believes.

Mrs. Harry Warner and Mrs. George B. Shaw sat opposite at the flower-trimmed tea table, following the program.

## ATTENDS PLAY

Miss Ruby Natress was in Chicago today attending the play, "The Corn Is Green."

## HEADS SORORITY

Elizabeth Davies, daughter of Mr. and Mrs. John Davies of 606 Hennepin avenue, was honored by two Greek letter groups on Monday on the University of Wisconsin campus. She was chosen president of Alpha Phi national sorority, and was initiated by Zeta Phi Eta.

Elizabeth is a junior at Madison, and is majoring in corrective speech.

## Farewell Party

Mr. and Mrs. Kenneth Knapp of Polo and Mr. and Mrs. Ward Crom of Sterling entertained recently with a turkey dinner at the Knapp home, honoring William Carey of Palmyra. Mr. Carey was formerly a partner of Ward Crom in the Sterling Sales company.

Guests included William Carey of Palmyra, Mo., Mr. and Mrs. Ward Crom, Mr. and Mrs. Lyle Robinson, Mr. and Mrs. Paul Knox, Siered Hurst, Mr. and Mrs. Harry Harrington, and Eddie Flynn, all of Sterling, Mr. and Mrs. Arthur Martin of Sheffield, Mr. and Mrs. Russell Edlund of Morrison, Mr. and Mrs. Leo Moore, Mr. and Mrs. Wayne Baker of Dixon, Mr. and Mrs. Samuel Lazarus of Polo.

Games of pinocle and 500 entertained, following the dinner.

## NACHUSA P.T. A.

Talks on the care of flowers and landscaping will be heard by members of the Nachusa Parent-Teacher Association at 8 o'clock Friday evening at the school. Seeds and bulbs will be exchanged.

## BIRTHDAY CLUB

Mrs. Wayne Baker will entertain her birthday pinocle club Wednesday, March 11, at Lowell Park lodge.

**\$7.95 and \$11.90**

50c DOWN AND EASY WEEKLY PAYMENTS ON OUR LAY-AWAY PLAN.

When on the way to the office or on a shopping tour or otherwise facing the critical public eye, we can think of nothing better than one of these new coats. Choose a Reefer type, Boxy version, or a Fitted model of a Fleece, Tweed, Twill, Crepe or Boucle.

## "All-Out" for New Slacks

Smart tailoring adds zip to the new slacks. Those worn by the model, above, left, are tapered, while the fitted cardigan jacket is of ginger-brown spun rayon. The mix-match costume, right, combines slacks of green spun-rayon gabardine with the newly popular long-sleeve shirt of acetate rayon crepe.

## AFTERNOON CLUB

Mrs. Daniel Branigan held a guest tally as members of an afternoon club circled contract tables yesterday at the home of Mrs. Arthur Crom. A sweet course preceded the bridge games, in which Mrs. George Stevens and Mrs. Gavin Dick won prizes.

Mrs. Arthur Hill is to entertain next.

## CHORUS REHEARSAL

Members of the Dixon Woman's club chorus will meet for rehearsal at 1:30 o'clock Friday afternoon at the Loveland Community House.

Mr. and Mrs. Lloyd Turner of Madison, Wis., were guests of Mr. and Mrs. Alex Turner of 414 Boardman Place.

## DESSERT-BRIDGE

Mrs. L. R. Trowbridge was entertaining with a dessert-bridge yesterday for her club group of 12. Mrs. I. N. Habecker, Mrs. O. F. Goeke, and Mrs. L. L. McGinnis shared score favors in the card games, which are to be resumed in two weeks at the home of Mrs. Arthur Wilson.

## PUBLIC MEETING

The public is invited to attend the program which members of the Stony Point Parent-Teacher Association are planning for 7:45 o'clock Thursday evening. Refreshments will follow the entertainment.

## PERSONALS

Dwight Thompson, Mr. and Mrs. Willard Thompson, and Mr. and Mrs. O. B. Avery returned today to St. Louis, after attending funeral services for Dr. Willard Thompson yesterday afternoon.

William Schuler who is a patient at the Mayo clinic at Rochester, Minn., is reported to be getting along nicely.

Mrs. Tabor Johnson and daughter of New York City is here for a visit with her mother, Mrs. H. U. Bardwell.

Mrs. John Rohrer and Mrs. Carrie Ringer of Polo were in Dixon yesterday.

Ray Rhoads has returned home from a visit to Cleveland, Ohio.

Mr. and Mrs. G. L. Kauffman have returned home from a vacation trip spent in the east, where they visited at Washington, D. C., and at Buffalo, and New York City, N. Y.

Mrs. C. R. Walgreen is expected home today from Los Angeles, Calif.

Alfred A. Rowland, veteran Dixon druggist, who has been a patient at the Dixon public hospital for several days, was reported to be considerably improved today.

John McGowan of Amboy was a business caller in Dixon this afternoon.

Fred Gross of Franklin Grove was transacting business in Dixon today.

Mrs. Fred Dimick and daughter, Mrs. Al Jenks and two children will be here this week from California and will be at home at 322 Ninth street, the Dimick residence.

In 1941 the number of certificated civil aircraft increased from 17,500 to approximately 27,500 during the year.

The word "knot" means a tie formed with cord; a bird; a unit of speed, and a limb growth in lumber.

## 16 WAYS WE CAN HELP YOUR CAR "See you through"

RECOMMENDED FREQUENCY

1. Repack Front Wheel Bearings..... 5000 miles
2. Prevent bearing wear—a cause of wheel misalignment and wobbling—(an important factor in tire wear).
3. Clean Spark Plugs—Regap if necessary..... 5000 miles
4. Dirty and worn plugs waste gas.
5. Switch Wheels and Tires..... 5000 miles
6. Extremely important in gaining maximum mileage for all tires. Your Standard Oil dealer knows the proper rearrangement for longest service.
7. Examine Tires for bruises, cuts, nails, glass, etc.—fan belt..... 1000 miles
8. Prevent little hurts from growing big.
9. Inflate Tires to proper pressure..... Once a week
10. Prevent excessive wear due to under-inflation and overinflation.
11. Check Oil Filter..... 8000 miles
12. Very important to keep abrasive grit and dirt out of motor.
13. Clean Air Cleaner..... 3000 miles
14. Dirty air cleaner acts like choke, causes excessive use of gas. Also allows grit to get into motor.
15. Fill Battery to proper level..... 7-14 days
16. This care, plus recharging when needed, and cleaning and greasing terminals, prolongs battery life.
17. Check Oil Level..... Each gas-oline fill
18. Prolongs engine life by maintaining proper oil level.
19. Drain and Refill Crankcase..... 1000 miles
20. Draining out dirty oil and refilling with clean fresh oil will prolong engine life.
21. Complete Chassis Lubrication..... 1000 miles
22. Prolongs car life by saving wear. Reduces need for parts replacements.
23. Change Transmission and Differential Lubricant..... Spring and Fall
24. Check level every 1000 miles for protection against gear and bearing wear.
25. Wax and Polish Car to make finish last indefinitely..... 3 months
26. Safety-checking and cleaning of lights, lenses, windshield, and windows..... Each station visit
27. Check Anti-freeze to insure proper amount and protection, to avoid boiling or leaking away..... Frequently

## A Thought for Today

The labourer is worthy of his reward.—Timothy 5:18.

From labor there shall come forth rest.—Longfellow.

## Systematically Saving and Serving

Are you one of the 15 million Americans who are already arranging voluntarily to have something set aside from your paycheck or envelope every payday?

The Payroll Savings Plan for buying Defense Savings Bonds is sweeping the country, with 14,000 firms co-operating.

People who always knew they ought to save a little money, but somehow never did, now find it easy to request their employer to hold out a little each payday to be used to buy a Defense Bond when the amount is large enough. In that way they are able regularly to save money, help finance the war, and combat inflation.

It's the regularity that does it. The Treasury has set as its goal the enlistment of all of the country's 40,000,000 regularly employed workers in this voluntary plan. It is part of the fight, and part of the price of victory.

## Build the Road to Alaska!

The War Department has officially approved the International Highway to Alaska as "desirable from the viewpoint of national defense." The House Roads Committee has received this highly conservative view of the \$25,000,000 project, and is now fishing about to find out the attitude of the Canadian government.

It seems that a telephone call ought to settle that. With the South Pacific teetering on the edge of being completely lost, and the Navy unable to assure complete protection to coastal shipping, ought not every possible step be taken to assure overland supplies to Alaska and northern Canada? For who are we, who have watched the attack on Hawaii, the loss of Hong Kong and Malaya and most of the Philippines, to say that an invasion may not be made in Alaska or the northwest coast.

The date for beginning this work ought to be set only by the weather, not by further deliberation.

## "Don't Come to Washington"

Washington is a magnet these days, a light that draws many a buzzing insect toward it. In fact the insects might well become so numerous as to blot out the light.

Thus the Civil Service Commission warns that if you want a paid job serving the government, don't come to Washington. First, check Civil Service

bulletins at your postoffice to see if you've got what's wanted. If you don't see it, write to the National Emergency List, U. S. Civil Service Commission at Washington for a questionnaire on which you can tell what you can do. If you have special technical or professional qualifications, write to the National Emergency List, U. S. Civil Service Commission at Washington for a questionnaire on which you can tell what you can do. If you have special technical or professional qualifications, write to the National Roster of Scientific and Specialized Personnel, Washington, D. C.

All of which will perhaps save you a night sleeping in Lafayette Park, and also help relieve a congestion in Washington which is becoming overwhelming.

## Better Late Than Never

The British have an irritating habit of doing things too late. But they are pretty likely to do the right thing in the long run, which is more than can be hoped from Germany, Italy and Japan. Ireland is a fair example. It should have been free long ago, one may say. Yet it is free today, and in the face of tremendous pressure from the military and naval situation, Britain has not moved to threaten Irish freedom, though Eire's neutrality is a tremendous disadvantage to her.

So with India. Perhaps India should have been free long ago. It is a complicated question. Perhaps the promise of dominion status, and a seat on the War Council could have been offered at a more graceful time than when India is so badly needed to prevent axis victory. But India is slowly progressing toward freedom, and will surely attain it some day by working with the British. Should Japan or Germany conquer India, it could never be free.

## Britain Replies

The old propaganda story, used during the World War, used again to divide the French from the British during this war, about how the British will "fight to the last Frenchman," or "to the last colonial," is going the rounds again. In some cases there is reason to believe that it is being deliberately planted to divide the allies once again, the old, old tactic of sowing dissension and distrust.

The British have an answer, and so general the story become, that they have felt called on to make it publicly. It is simply that 71.3 per cent of the total casualties of the British Commonwealth of Nations in the war thus far, have been among soldiers and sailors of the United Kingdom, that is, from England, Scotland, Wales, and Northern Ireland.

Unless and until those official figures are disproved, they are surely more worthy of belief than idle chatter and biased suppositions.

## Pass the Biscuits, Pappy

Bulletin 201 from the War Production Board sweetens things a bit. It seems bees must have sugar melted in water at certain times in order to keep alive and maintain production of honey. And bee producers and apiarists, the WPB solemnly assures us, will get all the sugar they need to keep the bees buzzing.

Three cheers and a loud bang on the dinner bell for hot biscuits and butter and honey.

If you think we need more radio comedians, you must not be paying attention to the commercials.

## Several New Faces Will Be Seen When Committees Gather

Survey of Illinois Political Situation Is Made by AP

Springfield, Ill., March 3.—(AP)—There will be some newcomers on the state central committees of the two political parties this year.

Twelve committeemen are not seeking re-election in the April 14 primary and others are facing stiff contests.

For 15 other committeemen, however, the election will be just a formality because they are unopposed for re-election. Five other candidates who are not now on the committees also are unopposed in their districts.

Democrats will find the biggest change in their committee because ten members are not seeking re-election. Eight others, including Chairman Arthur A. Sullivan of Chicago, will return without opposition.

Only two Republican committeemen—Robert R. Bookwalter of Danville (18th district) and Hiram L. Williamson of Springfield (21st district)—are voluntarily retiring. Seven other GOP members are unopposed for re-election.

Democrats who are retiring are David M. Hickey, Chicago (3rd); Harry Schulman, Chicago (5th); J. E. Ryan, LaSalle (12th); Sherwood Dixon, Dixon (13th); Kenneth A. Elmore, Quincy (15th); Joe E. Knight, Dow, (20th); Roy D. Stout, Glenmar (21st); John J. Hallahan, East St. Louis (22nd); John Small, Harrisburg, (24th); and A. M. Thompson, Marion (25th).

Besides Chairman Sullivan, other Democratic committeemen who are unopposed for re-election are Joseph Clerk, Chicago (1st); Edward Sullivan, Chicago (6th); Stephen R. Carynski, Chicago (8th); Edmond L. Mulcahy, Chicago (9th); James C. Mayor, LaHarpe (14th); C. Everett Smith, Lincoln (17th); and Otis C. Wherry, Danville (18th).

Unopposed Republican committeemen are Henry Harris, Chicago (4th); John F. Tyrell, Chicago (6th); Paul C. Rosenquist, Rockford (12th); Roy E. Larsen, Galesburg (15th); James E. Anderson, Eureka (17th); R. R. Thomas, East St. Louis (22nd); and Frank G. Thompson, Mt. Vernon (23rd).

Five others who are not now members of the central committees are also unopposed for election. They are Russell L. Guin, Danville Republican; Fred A. Cain, Jacksonville Democrat; Robert Dron, Madison Democrat; James W. Karber, Ridgway Democrat; and Browning Robinson, Benton Democrat.

## Lodges and Patriotic Orders

Presidents' Parley—Mrs. Clara Traynor was hostess to the Past Presidents' Parley of the American Legion Auxiliary last evening. Her guests numbered 10.

During the business meeting, it was decided to send fruit to members who are ill. A box of toilet articles is being packed for World War 1 nurses at Norbury hospital for Easter.

After the business session, tables were formed for card games. Mrs. Mazie Kelly and Mrs. Minnie Miller received favors. St. Patrick's appointments were used at the refreshment table.

Mrs. Lila Wagner is to entertain next.

American Legion—Dixon post No. 12 will meet at headquarters at 7:30 o'clock this evening.

War Mothers—Lee County World War Mothers will meet in the G. A. R. hall at 2:30 p. m. Friday.

Will Make Robes—Mothers of Job's Daughters are to meet at 1 p. m. Friday at the Masonic temple to make robes for the Bethel members.

## Church News

LENTEN SERVICE TONIGHT—St. Paul's Lutheran church holds the mid-week Lenten services tonight at 7:45 o'clock. Sermon topic, "They Will Reverence My Son."

The Senior Luther League will meet in the Junior room of the church at 7:00 o'clock, the meeting to last not longer than forty-five minutes. All youth of high school age and older are invited.

An invitation is extended to all to the mid-week Lenten services.

## Happy Birthday

MARCH 4—Peter Blackburn, route 2, Harman.

MARCH 5—Miss Anna L. Geisenheimer; T. J. Miller, Jr.; Frank C. Sprout; Donald Heckman; Genevieve Shippert, route 3; Dorothy Stouffer, Sublette; Joseph Zimmerly, Amboy; Leland Bodmer, West Brooklyn; Marjorie Lowry, Natchua; Junior Cardot, Amboy; Mrs. Ernest S. Morris, Deer Grove; Mrs. Clarence E. Morris, route 3.

## NEWS BEHIND THE NEWS

By PAUL MALLON

(Distributed by King Features Inc. Reproduction in whole or in part strictly prohibited.)

Washington, March 3.—First announcements of the Jap blow at Java did not fit together. The official communique here said the United Navies broke up a convoy of 40 transports, chased it north and prevented landings.

Before this was cold on the front pages, came bigger headlines from Batavia revealing the Japs had landed in three places. The conflicting accounts had to be published in the same editions.

As a matter of fact, both were right. Four separate attacks were made by the Japs with about 120 transports. The one that was broken up was aimed at Madderah shoreline, north of Surabaya. The three successful landing attempts rolled in upon the west coast of Java (from Sumatra), between Batavia and Semarang, and east of Semarang.

The Japs did not send many of their big ships into the Java attack. They had lost heavily in cruisers the last two weeks. Some naval rumors suggest one-third of the whole Jap cruiser strength has been put out of commission, but this is a knight's guess, not officially claimed.

Obviously, however, they kept their main fleet in home waters protecting Japan, beyond easy range of allied bombing planes.

No one of any authority here ever claimed Java could be held. The narrow island is more than 500 miles long, a greater air line distance than from New York to Florida. Each rat hole in that expanse could not possibly be protected with the forces at hand.

The only thing that could have broken up the Jap attack was counter-attack on the bases from which it was launched, or upon Japan proper, and our forces were apparently insufficient or unready. Here again was demonstrated the superior value of offensive action as the only feasible defense.

While the news of Jap successes has been bad, however, it cannot be classed as unexpected.

Liveller hopes are justifiably held for India and Australia. In truth, there is some reason to expect after Java, Japan may turn her thoughts and her force in another direction—possibly Vladivostok. There, hanging over the head of Tokyo, is a base for joint Russian and American bombing operations that cannot have escaped the attention of the Jap militarists.

If our flying fortresses went to work on Japanese factory districts from there, the damage to their war effort might be serious.

What could they get in Australia or India by pursuing their present conquest? They might reasonably take Darwin merely to prevent its use as a port or air base by the United Nations. But Australia proper, and India, are bigger game than they have sought previously and their armies are already strung out one-third of the distance from pole to pole.

Hence they may wisely begin to think of home protection and fixing up the oil wells, rice fields and rubber plantations they have amassed.

Overwhelming defeat of the Smith (40 hour extension) amendment was a great surprise to the leaders. As late as four hours before the vote Speaker Rayburn and Floor Leader McCormack privately said they thought it would pass.

A combination of sudden political circumstances was responsible. Republicans sat back at first as the debate developed into a quarrel between southern Democrats and northern New Dealers.

This fact inclined the Republicans to let the Democrats take the responsibility of majority power. Many Republicans whose records placed them in favor of the amendment, voted the opposite way.

Strong overnight lobbying by labor (chiefly the railroad brotherhoods) took advantage of this internal political situation. Roosevelt's policies did not make much difference. His position had long been known.

In a closed session of the senate labor committee, Chairman Davis of FDR's latest labor board, dropped the impression that a strong stand against strikes and inflationary wage demands was going to be taken. He left the notion this government would not tolerate strikes while soldiers are dying.

Also he said flatly he would follow the Henderson policy in the price control law and prevent constant edging of union wages upward.

Next morning after his appearance, his board failed to apply these policies to the General Motors wage increase demands. It sent the dispute back to negotiation by the company and the union.

AT WATERWAY BRIDGES—Springfield, Ill., March 4.—(AP)—Adjutant General Leo M. Boyle announced last night that Illinois Reserve Militia units were patrolling bridges and other points along the Illinois waterway at Beardstown, Chillicothe, South Peoria and Joliet.

## Church Societies

Aid Society—Members of the Aid Society of St. Paul's church will meet at the church at 2:30 p. m. Thursday.

## T. P. &amp; W. President Refuses to 'Obey' Labor Board Order

Peoria, Ill., March 4.—(AP)—The two-month old strike involving 104 employees of the Toledo, Peoria & Western Railroad remained deadlocked today as the road's president "respectfully declined" to comply with the War Labor Board's order for arbitration.

President George P. McNair, Jr., said he had airmailed an outline of his position to Board Chairman William H. Davis and issued a statement yesterday in which he said in part:

"As to arbitration, we do not believe that under present conditions as proposed under the railway labor act it would help the situation, and therefore we must respectfully decline."

The order was described by board officials as its first "compulsory arbitration order."

McNair also said a "hurried reading of the transcript (of the board's order) discloses that while the T. P. & W. is considered by the quartermaster general of the army to be of decided importance in the prosecution of the war effort, there is not one bit of evidence offered to show that the T. P. & W. was not adequately and promptly handling all war and defense traffic offered. As a matter of fact x x x we now are handling an increasing volume of such traffic."

Striking members of the Brotherhoods of the Railroad Trainmen and Locomotive Engineers & Firemen quit work Dec. 28 to obtain more wages and different working conditions, but the road has continued to operate. The line runs between Effner, Ind. and Keokuk, Ia., a distance of 239 miles.

## Deaths

Local—LEE H. PERKINS

Lee H. Perkins passed away at his home, 917 Ottawa avenue, at 1:45 o'clock this morning after an illness of about two years duration. Friends may call at the Melvin funeral home until 3:30 p. m. Thursday, at which time the body will be taken to Hayti, Mo. for funeral services and burial.

Mr. Perkins was born in Steele, Mo., Sept. 8, 1904, coming to Dixon in 1938 when he purchased the Western Tire Auto Store. He is survived by his widow and one son.

## MRS. JOHN TRIPPER

Mrs. John Tripper of Dixon passed away at an East Moline hospital at 6:30 o'clock Tuesday afternoon after an illness of over three years duration. Funeral services will be held at 2:00 o'clock Thursday afternoon at the Melvin funeral home, the Rev. George D. Nielsen, pastor of the Grace Evangelical church, officiating, and burial will be in Chapel Hill Memorial park.

Mrs. Tripper, who was born in Polo in 1870, is survived by her husband.

## Suburban—MATHEW MAIER

(Telegraph Special Service)—West Brooklyn, Mar. 4.—Mathew Maier passed away Tuesday afternoon at 3:10 at his home in Viola township. Funeral services will be held Friday morning at 9:30 from his late home and at 10 o'clock from St. Mary's Catholic church at West Brooklyn with interment in the West Brooklyn cemetery. The complete obituary will be published later.

## ALBERT ESHELMAN

Albert Eshelman, 87, of Sterling, formerly of the Penrose community and a member of Bethel Evangelical church, Dixon, passed away last night at the Linton nursing home in Sterling, the Rev. R. S. Wilson, Bethel pastor, was advised this morning. Funeral arrangements had not been completed today and they will be announced later.

## Funerals

Local—DR. WILLARD THOMPSON

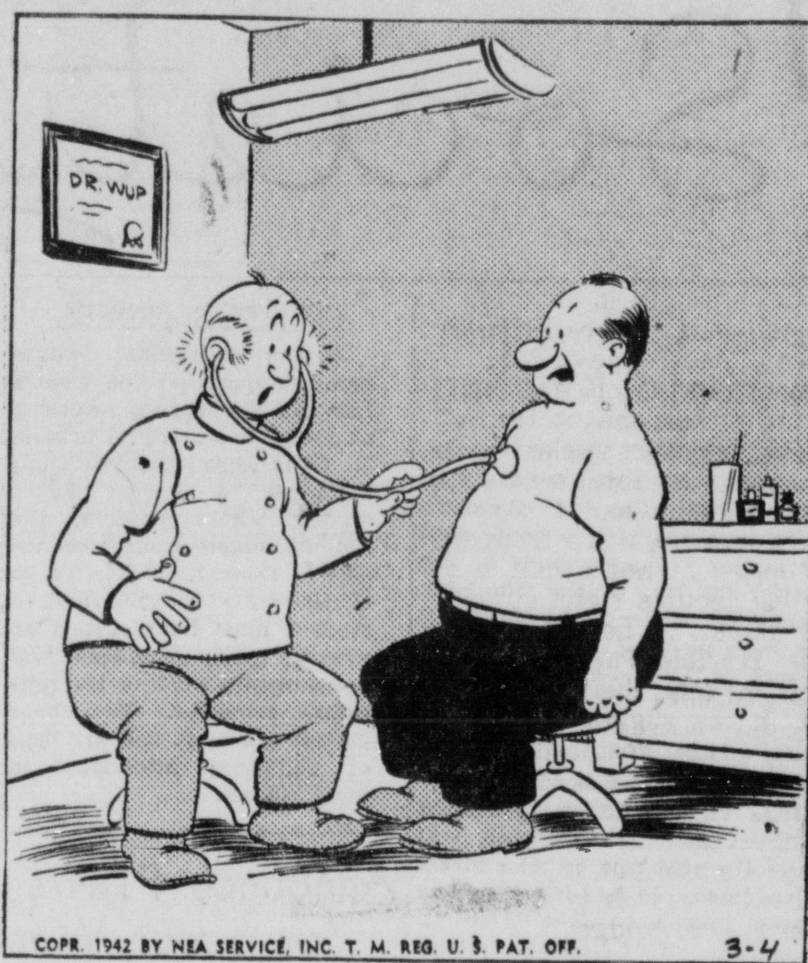

Funeral services, conducted by the Rev. E. Norman Burke of St. Luke's Episcopal church, for the late Dr. Willard A. Thompson, whose sudden death Sunday at his home was a shock to all who knew him, were held at his home Tuesday afternoon and were attended by hundreds of friends, who overflowed the lawn and into the street. Among the mourners were friends from Aurora, Chicago, Sterling, Rockford and other places, and the profuse floral tributes were a solace to his sorrowful family.

## WAKE UP YOUR LIVER BILE

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour 2 pints of bile juice into your bowels every day. If this bile is not flowing freely, your food may not digest. It may just decay in the bowels. Then gas builds up your stomach. You get constipated. You feel sour, sunk and the world looks punk. It takes those good, old Carter's Little Liver Pills to get these 2 pints of bile flowing freely to make you feel "up and up." Get a package today. Take as directed. Effective in making bile flow freely. Ask for Carter's Little Liver Pills, 10¢ and 25¢.

## Hold Everything

"That sizzling noise is my heartburn!"

## Years Ago

(From Dixon Telegraph)

39 YEARS AGO

The infant daughter, Louise, of Mrs. Caroline Dinger, was badly scalded this morning by pulling over a coffee pot full of hot coffee.

The old Illinois Central depot on Sixth street has been purchased by Dan Curran and is being torn down today. The building was begun in 1854.

Alexander Hess passed away yesterday afternoon at the home of his parents on Cedar street.

25 YEARS AGO

Mrs. Elizabeth Welty, aged 84 years, passed away Sunday morning in Grand Detour.

Plans for extensive repairs to St. Paul's Lutheran church were presented to the church congregation Sunday and unanimously approved.

Mrs. John Mays, who moved here from Amboy in November, passed away at her home 903 Madison avenue Sunday night.

10 YEARS AGO

Sheriff Fred Richardson was today investigating a demand made upon a prominent Dixon family for payment of the sum of \$10,000.

A force of professional tree surgeons has been summoned to supervise the replanting of trees in Lowell park and Hazelwood, uprooted by Tuesday night's heavy sleet storm.

Henry Bremer, one of the four members of Dixon post No. 299, G. A. R., and commander for 16 consecutive years, passed away at his home, 615 North Dixon avenue this morning.

## Births

GANN—Born to Mr. and Mrs. Hubert Gann of Dixon at the Katherine Shaw Bethel hospital this morning, a daughter.

# HEARD 'N' SEEN

By JOHNNY MITCHELL

NO MORE QUESTION-MARK . . . at last we've got a "moniker" thanks to all you fans who donated a little time and thought in sending in suggestions . . . there were lots of dandies turned in and all three of the judges complained of the difficulty in choosing the right ones to give points to . . . the judges were Fritz Hoffman, Em Rorer and Willard Jones . . . each one of them was given a complete list of suggestions and each one picked eight names without consulting either one of the other judges and the position in which they were picked earned each name so many points . . . then the total was taken when all three sheets were turned back in and the name with the highest number of points was it . . . so from here on we'll be known as **Heard 'N' Seen** . . . not a half bad "moniker" and we like it . . . our big trouble right now is trying to tell you who sent in this name . . . believe it or not for it was none other than "The Terrible Turk" . . . and the judges didn't know this when making their selections for the names of those who sent in the suggestions were withheld from them . . . we published in yesterday's line-up that we knew who the Terrible Turk is but promised at the same time not to reveal it until we've finally tracked down the Rasslin' Rushin' . . . we hope the Turk's winning this contest will bring the irritated Rushin' out in the open . . . don't forget that their challenged match is set for Friday night, March 6, on the Galena Ave. bridge . . .

**TOURNEY DOPE** . . . even though Steward was defeated by Sterling last night the fans present witnessed one of the better high school games of the season . . . Steward wasn't what you could call really defeated until the closing minutes of play and even then she kept the battle at a heated pitch with her spirit of fight . . . **BEST SHOWING** . . . Cole, Steward guard, was by far the outstanding ball player last night as he took over the scoring duties when Anderson and Richardson were bottled up and he accounted for 19 of Steward's tallies . . . Cole made the first five shots he took at the bucket in the first quarter and hit on every one of them . . . **BEST COMBINATION** . . . Hunsberger and Robinson, Rocket forwards, put on what you might call an exhibition of screening and shooting . . . they would screen openings for one another to shoot and few are the high school boys who realize the value of screening for shots . . . but these two kids coached by George Quire fully comprehend the result of screening for they accounted for 24 Rocket points and most of these were off shielded shots . . . this was the first time that Robinson and Hunsberger have played together as a working combination for Robinson was brought up from the sophomore squad just previous to tourney time . . . **MOST ALERT BALL PLAYER** . . . Coach Curtiss Brandau's team can hold their Co-Captain Woodyatt responsible for their victory over Steward last night . . . this led Woodyatt is one of the most alert ball-players we've seen through the entire season and he just doesn't miss any opportunities for taking advantage of any breaks . . . he's fast on the floor, accurate and at even great distances, can follow in nicely and always does, and most of all makes an excellent general for the team because he knows what he's doing . . . Woodyatt was also high scorer for his mates last night as he turned in a total of 16 points.

**TOURNEY TONIGHT** . . . the Dixon Regional Tourney will continue its first round play tonight as Coach Sharpe's Dixon Dukes will meet Amboy in the opening game scheduled for 7:30 . . . most fans are rather optimistic about the outcome of this fray but let it be said that Amboy comes tourneyward with no ideas of being a slouch . . . the Irish created a none-to-favorable impression early in the season but recently have shown a caliber of ball that any club will think over twice before passing random remarks as to the outcome . . . nevertheless the Dukes, on paper, should win if they're up to par . . . in the second game tonight Prophetstown will tangle with Coach Flancher's Paw Paw outfit and this promises to be a real battle . . . both teams boast excellent records . . . Paw Paw will have the speed on her side tonight but Prophetstown will have an average height advantage . . .

**TWEET! TWEET!** . . . and Let's All Sing Like the Birdies Do . . . Amos Sharp cornered us yesterday and told us that since we've noted in this space now and then the first signs of spring that he had the real thing . . . he said that he didn't see this bird but he heard it and it was definitely a robin . . . so we asked him in a nice way how a robin sounded . . . and he replied "why a robin goes 'bob-white'" . . . well that stopped us, so "shekells" were wagged and the dictionary brought into settle it . . . then we asked him, now how does a robin go . . . Amos, very sheepishly replied, "a robin goes, Tweet! Tweet!" . . . and so he lost his "farthings" and we have no more true signs of spring . . .

**TO TOURNEY** . . . Coach Vaux's Ashton Aces, Route 722 Conference Champs, go into Regional tourney play tonight up at Oregon . . . their first encounter will be against the Byron District Runner-up, Stillman Valley, and having beaten her before in conference games the Aces should advance with ease to the semi-finals where she'll meet either Oregon or Pecatonica.

**MOUNT CARROLL REGIONAL** . . . in the first round play of the Mt. Carroll Regional tourney last night Shannon defeated Fulton 41 to 35 . . . Lanark won over Mt. Carroll 35 to 25 . . .

# Rock Falls Stops St. Mary - Sterling Beats Steward

## Regional Tourn. To Continue Tonight as Dukes Face Amboy

### Prophetstown and Paw Paw Play Second Game Tonight

**GAMES LAST NIGHT**  
Rock Falls 40, St. Mary's 17  
Sterling 47, Steward 38  
**GAMES TONIGHT**  
7:30 P. M. Dixon vs Amboy  
8:30 P. M. Prophetstown vs Paw Paw

In the Regional play-off over at the Dixon high school last night Rock Falls had easy sailing as she thumped St. Mary's of Sterling and Sterling Township had her hands filled with a diminutive but mighty Steward five. Rock Falls beat St. Mary's 40 to 17 and Sterling managed to turn back Steward 47 to 38.

Tonight the Dixon Dukes start the program when they face Amboy high at 7:30 and in the second game Prophetstown will be pitted against Paw Paw, the district runner-up.

**Rock Falls and St. Mary's Game**  
Baskets by Robinson, Barnhart and George and a free shot by George gave the Rock Falls Rockets a first quarter advantage of 7 to 5; this first period was a nip and tuck affair but Rock Falls showed definite signs of superiority in maneuvering the ball and also possessed a marked difference in height, all of which showed that soon she would easily walk away from St. Mary's and never be threatened again.

In the second quarter the Rockets outscored St. Mary's 12 to 4 and their margin at half time, which almost insured them of a win, stood at 19 to 9. In the second frame Hunsberger with three goals, Robinson two and George one led the Rocket attack while Flosi and Saunders of St. Mary's each counted one for their outfit.

In the third period the Rockets continued their fast break with some beautiful screenings on the part of Hunsberger and Robinson which netted them an additional margin of 15 to 6.

In the fourth quarter the Rocket defense shut out St. Mary's completely from any goals and allowed them two free throws while they countered with 6 tallies which gave them the game at 40 to 17.

Hunsberger and Robinson were the outstanding stars of the game as they each counted 12 points for the Rockets. St. Mary's best showing was made by Saunders, pivot-man, with 7 points.

**Sterling and Steward Game**  
Sterling had a tough pull all the way in beating back Steward. Steward showed a better advantage in working the ball through for deliberate set-ups but she failed to follow through rightly due to Sterling's height which commanded ball control too much of the time. On the other hand Sterling has a distinct advantage in speed and used it time and again in fast breaking through Steward before the latter could set up an adequate defense. Steward was also handicapped from the start because her star performer, Anderson, was crippled with a sprained ankle and was playing far from his ordinary style of ball. But even with all the advantages and disadvantages granted Sterling's tall boy Boogard with his follow in shots and Woodyatt's range shots from the floor would have merited a victory.

The first quarter was an even-up game with each team matching buckets and it looked as though it might be anybody's ball game. Cole, Steward guard, started the scoring on a nice one-handed left from the free-throw line but Sterling's Woodyatt retaliated with a long swisher from the court, not to be outdone Cole came right back and scored again for Steward and Woodyatt was

good enough to match it with another range finder. Wells and Boogard each counted buckets for Sterling at this point which gave them an 8 to 4 lead and they held the lead throughout the remainder of the game. The first quarter ended with Steward on the short end at 15 to 12. In the second quarter Sterling again outscored Steward by the margin of 11 to 8 which gave them a half-time lead of 26 to 20.

Steward's best bid came in the third frame as she outscored Sterling 12 to 11 and at times played within three points of the winners; but just couldn't connect enough to tie the game up, and Sterling led going into the fourth at 37 to 32.

Still anybody's ball game in the fourth, Sterling decided to put it on ice quickly as Wells and Woodyatt scored in the opening seconds and gave their mates a 9 point lead. Anderson, Rapp and Cole each counted goals for Steward in this frame but still they were outscored 10 to 6 which gave Coach Curtiss Brandau's Sterling team a 47 to 38 victory, and the right to play Rock Falls in the semi-finals Thursday night.

Cole, Steward guard, was by far the biggest help to his team as he rolled in 19 points. Woodyatt and Boogard led the Sterlingites with 16 and 11 tallies respectively.

## FIGHTS LAST NIGHT

*(By The Associated Press)*  
New York—Chester Rico, 134½ lbs., New York, stopped Mike Belloise, 131½, New York, (7).  
White Plains, N. Y.—George Kochan, 159½, Akron, O., stopped Augie Angarano, 161, Harrisburg, N. Y., (1).  
Brooklyn, N. Y.—Pete Scalzo, 134½, New York, outpointed Nat Liffin, 135½, New York (8).

## QUARANTINE LIFTED

Jefferson Barracks, Mo., March 4.—(AP)—A quarantine imposed at Jefferson Barracks, Feb. 11 because of two cases of meningitis was ended today.

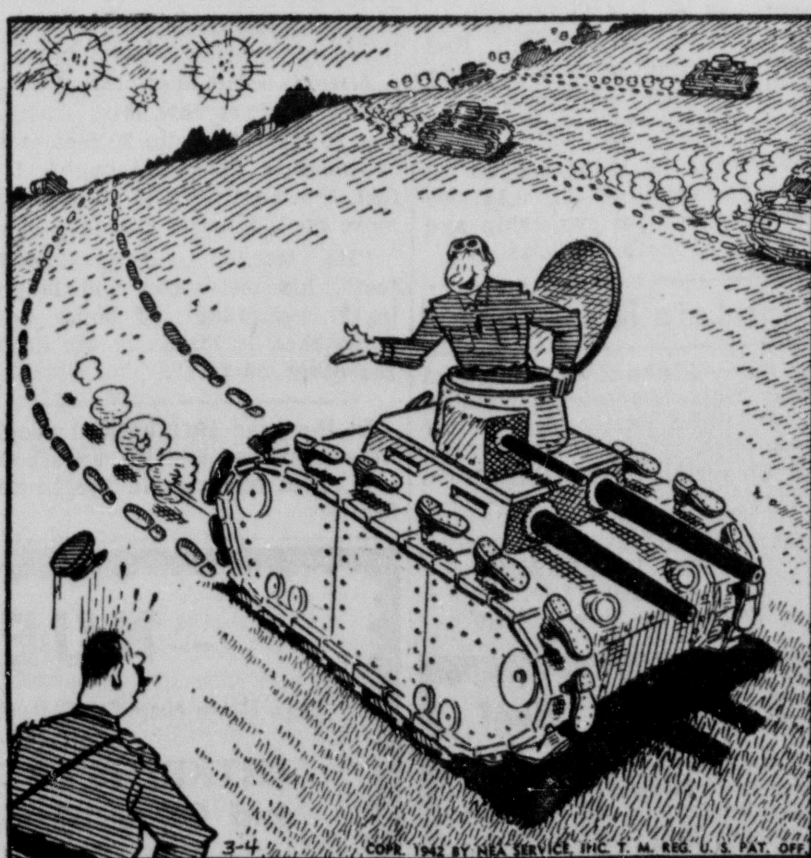

Post headquarters said immediate families of soldiers may visit them.

If all the eggs laid by one fly came to maturity, there would be within a period of six months, 131 quintillion of her insect descendants.

Moose Jaw, Saskatchewan, derived its name from a Red river ox cart driver who mended a broken wheel with a moose's jaw bone in 1860.

Natural gas consumption in 1940 was greatest of any year on record, the total amounting to 2,654,659,000,000 cubic feet.

## Sports Roundup

BY HUGH FULLERTON, JR.  
Wide World Sports Columnist

New York, March 4.—The promoting fraternity must take back seats for a few months while the American Bowling Congress is in action . . . No other event can produce such astronomical figures . . . Nearly \$175,000 was laid on the line to get ready for the 72 day-and-night affair and the prize alone cost \$98,000 . . . Van Meter (Ia.) high school (Bob Feller's alma mammy) with an enrollment of 96, has produced a girls' basketball team that has won 19 straight games . . . Stanley (Coach) Woodward of the N. Y. Herald Tribune comes up with the idea that N. Y. U. should adopt the football Giants as their team and go back to the good old days when the Violets were represented by professionals.

**Today's Guest Star**  
Dennis Brown, Mount Clemens (Mich.) Daily Monitor: "Bargin Counter: Al Sabath's \$700 wonder horse, Alsab, is showing his 5-and-10 price . . . It'll probably be a month of sabbaths before he wins another race."

**Jacobs Beachcombs**  
Jack Kearns, one-time manager of Jack Dempsey and more recently a fight promoter, is selling fire extinguishers in Chicago . . . Publisher Nat Fleischer of the Ring Magazine can't understand why he gets letters from Army camps asking why they can't buy his magazine on the post news stands. He sends out 7,500 copies monthly for free distribution to service men . . . Tommy Gomez has been training by remote control for Friday's fight with Buddy Scott in Tampa. Tommy is stationed at Camp Blanding (Fla.) So is Pete Leto, brother of Tommy's manager. Every day Manager Joe sends from Tampa Pete instructions for brother and Pete and Tommy carry them out.

**Tokie-ish Subject**  
When ski jumper Torger Tokie went to Niagara, Wis., to practice for last Sunday's record-breaking jump at Iron Mountain, so many kids played hooky to see him that they closed the schools rather than hold classes with only half the pupils present . . . Tokie, incidentally, has aided the American friends of Norway quite a bit by autographing the skis used on his fancy flights and donating them to be auctioned.

## Shorts and Shells

Those high school footballers seen on Carolina College campuses lately are regarded as "insurance." If the Southern Conference lifts the Freshman ban, they'll have had the benefit of spring practice and will be ready to go with the Varsity next fall . . . Buddy Knox, the Dayton (O.) heavyweight, has signed up with the Air Corps. Seems he learned to make a three-point landing when Tami Mauriello clouted him the other night.

## Records Wrecked

Basketballers who kept setting new scoring records week after week in the Kent County (Canada) League at Belhalm, Ont., didn't complain at all, but they began to wonder when 17-year-old Mac Morrison rang up 102 points in a game his team won 131 to 51 . . . Someone finally thought of measuring the baskets and discovered that the hoops were 2½ inches wider than the regulation diameter.

## WHAT CAUSES EPILEPSY?

A booklet containing the opinions of famous doctors on this interesting subject will be sent FREE, while they last, to any reader writing to the Educational Division, 535 Fifth Ave., New York, N. Y., Dept. C-410

## Mount Morris and Rochelle Win Tilts in Oregon Regional

Rochelle and Mount Morris won their first round games in the Oregon Regional tournament last night as Rochelle defeated Polo 35 to 21 and Mount Morris downed Byron, the district champ, 22 to 18. Tonight the host team Oregon will meet Pecatonica in the first game scheduled to start at 7:30 p. m. and Ashton will play Stillman Valley in the second game which completes the first round of the tourney.

**Rochelle and Polo**  
Rochelle took the lead in a low scoring first quarter at 3 to 2. Both teams opened up their offenses in the second period and Rochelle increased its hold 10 to 8 which gave them a half time lead of 13 to 10.

In the second half Rochelle ran rough shod over the Marcos and outscored them in the third frame 14 to 6 which virtually clinched the tilt for Rochelle; nevertheless the Hubs kept on rolling in the fourth frame and outdid the Marcos 8 to 5 which gave the Hubs the game at 35 to 21.

Binz, Rochelle guard, rang up a total of 18 points to pace his team and Holby, Marco center, rolled up 11 tallies for the losers.

**Mount Morris and Byron Game**  
Mount Morris built up a lead in the first half which carried her through being outscored in the second half and finally a win which kept her in the regional race.

Mount Morris went into the lead early in the game and held a 10 to 6 margin at half-time. In the second quarter Byron was shut out from any buckets and managed only one free toss while Mount Morris rang up 4 points and again in the fourth 7 to 5 but she fell four points away from tying the game up as Mount Morris won at 22 to 18.

Hyland, Moulder guard, led his team with 13 points and Himes, Byron center, rang up 7 points for his team.

## Fortune Dons Myers & Nolan Team as They Hang To First

### Post Office Team Drops Good Chance by Losing Three to the Royal Blue

The Myers and Nolan bowlers retained their lead in the City League last night but it wasn't due to their wins of yesterday; for the Post Office could easily have overtaken the league leaders but they themselves lost three games which kept them in second place. The Blackhawk Stars, in a two way tie for 3rd place with Reynolds Wire, won two of three games from the Clothiers. Bollman led the Blackhaws with a series of 559 and Bob Paff bowled high for the Clothiers with 539.

The Myers Royal Blue held the Post Office crew back by defeating them three games. F. Smith rang up the high count for the Grocers with 515 and Tilton fronted the Mailmen with 528.

The Reynolds Wire team held onto a third place tie in the standings by winning two out of three from the Meister Brau bowlers. Bus Carlson paced the winners with 538 and M. Potter led the losers with 490.

Strub and Shultz dropped two to the Three Deuces but managed to eke out one win which kept them from going into the cellar spot of the league. Hahn was high man for the Deuces with 518 and Dockery bowled high for the Gas team with 457.

Some nifty figures were rolled out in a few individual games as McGraham hit one at 230, Bollman at 212 and F. Smith one at 209.

## Senate Committee Approves Higher Pay for Military

Washington, March 4.—(AP)—A senate military subcommittee approved legislation today which would double the initial pay of enlisted men and give pay raises to non-commissioned officers and the lowest rank of commissioned officer in the armed forces, the coast guard, coast and geodetic survey and public health service.

Senator Johnson (D-Colo.), chairman of the subcommittee and author of the legislation, said the measure would cost \$255,000,000 a year, based on the size of the armed forces last Jan. 1.

The bill, he said, would pay schedules for enlisted grades in all the services, placing all on an equal footing.

At the present time members of the army and navy receive \$21 a month for their first four months of service and then \$30 a month until they are promoted to higher grades.

Under the proposed legislation they would start at \$42, and there would be six higher pay categories through the various non-commissioned ranks.

Increases for the seven pay categories established for all services, expressed in terms of army ranks, would be as follows: Private, \$50 (after 4 months) to \$42 per month; private first class, \$56 to \$48; corporal, \$54 to \$60; sergeant, \$60 to \$78; staff sergeant, \$72 to \$86; technical sergeant, \$84 to \$114; master sergeant, \$126 to \$138.

## Young Chicago Rapist Begins Life in Prison

Chicago, March 4.—(AP)—David Reese Steffy, III, young Junior College student recently convicted of raping three women, was ordered sent to the state penitentiary at Joliet today to start serving a life term.

Chief Justice Robert J. Dunne yesterday cut short a stay of execution for the 18-year-old youth, which was to have run until March 13, after physicians testified his mental condition required medical treatment not available at the county jail.

## France Field is an Air Base on the Atlantic Side of the Panama Canal Zone

Chicago, March 4.—(AP)—Illinois' first naval vessel of the second World War, a 136-foot mine sweeper, was launched in the Chicago river yesterday after a brief christening ceremony in which she was designated the YUMS-84.

Upon completion of finishing work and tests by navy inspectors, the YUMS-84, spreading 25 feet at the beam and designed for in-shore mine sweeping, will proceed to salt water.

## Industrial Suburbs

(Continued from Page 1)

Along with the bombs, the RAF dropped leaflets addressed to the Paris population saying they had come to bomb factories manufacturing arms for "our common enemy" and would return now that they knew where to strike.

## Dozen Towns Blasted

At least 12 towns in the suburban belt around Paris were blasted during a two-hour attack, the announcement said, although the most concentrated bombing apparently was directed at the factory regions of Boulogne-Sur-Seine and Billancourt.

(Authorized sources in London said the Renault motor plant was the objective. They declared that open weather had enabled the RAF pilots to spot the target area clearly and that virtually all the bombs had dropped on the factories. Latest information there placed the number of dead at more than 600.)

It was reported unofficially that one air raid shelter where 180 persons had taken refuge and which apparently sustained a direct hit still had not been uncovered.

## Chicago Cash Grain

Chicago, March 4.—(AP)—Cash wheat No. 4 red 1.26 1/2; No. 2 hard 1.28; No. 2 red 1.29 1/2; No. 3 yellow 80¢ 3/4; No. 4, 75¢ 3/4; No. 5, 70¢ 3/4; sample grade yellow 65¢ 3/4; No. 3 white 95¢; No. 4, 92 1/2¢; No. 5, 88 1/2¢.

## U. S. Bond Close

New York, March 4.—(AP)—Closing bond prices: U. S. Treasury 2 1/2; 52-57 115.11; Treasury 2 1/2; 52-58 105.15; HOLC 3s 52-54 104.17.

## Prices on Cattle and Hogs Jump to New Highs

Chicago, Mar. 4.—(AP)—Prices of meat-on-the-hoof advanced sharply in the livestock market today with both live hogs and cattle rising to peaks which, in some cases, had not been reached since 1926.

With best grade swine bringing \$13.50 a hundred pounds, the average cost of all hogs sold rose to about \$13.22. Gains ranged from 5 to 15 cents in hog trading.

Top price was the highest since August 13, 1937, when the peak was \$13.60. Average cost was at a new high since June, 1926, and with one exception, at record levels for March since 1920.

Today's upturn carried prices well above the point at which Secretary of Agriculture Wickard, in discussing the hog situation on Feb. 25, said prices were "high enough". On that day the peak was \$13.25 and the average \$12.85.

## Rome Announces Subs Operating Off U. S.

Rome.—(From Italian broadcasts)—March 4.—(AP)—The Italian high command reported today that Italian submarines operating off the coasts of the United States had sunk merchant shipping totalling 27,204 tons.

## This was Rome's first official claim that its submarines are operating off the U. S. coast. While a large number of ships have been sunk by under-sea raiders in the western Atlantic, they were believed to have been German U-boats. Nazi communiques of U-boat operations in the Atlantic have made no mention of Italian submarines.

## Illinois' First Vessel of War Is Launched

Chicago, March 4.—(AP)—Illinois' first naval vessel of the second World War, a 136-foot mine sweeper, was launched in the Chicago river yesterday after a brief christening ceremony in which she was designated the YUMS-84.

Upon completion of finishing work and tests by navy inspectors, the YUMS-84, spreading 25 feet at the beam and designed for in-shore mine sweeping, will proceed to salt water.

naal spring offensive in Russia, and aided by United States-built fighters and divebombers, will demonstrate superiority over the German air force "in the not distant future."

He also served notice that British production of tanks and tank engines, aero engines and lorries to go on unhindered merely because it is situated in occupied territory of France.

Britain's spring bombing offensive will be aided, he said, by new British Lancaster bombers, "the most powerful in the world" which are coming into service in "increased numbers" and will be loaded soon with bombs of a greatly enlarged size and devastating power.

Significantly, Sinclair asserted that the Germans in recent months had greatly reduced the percentage of dive bombers in their air force because this type is only useful where air superiority already has been established.

Britain now is able to re-equip her tactical reconnaissance squadrons with new type aircraft described as the best of American fighter planes, he added.

He declared also that the United States also was going to send dive bombers to the RAF; that a type "markedly superior" to the German Junkers 87 dive bombers will soon be available.

## Polo Secures Writ Against Creamery

Judge George C. Dixon on Saturday will preside at a hearing in the Lee county circuit court in which D. M. Ames, doing business as the Polo Creamery company, will seek to dissolve an injunction which was obtained Saturday by the city of Polo, a municipal corporation. Judge Leon A. Zick, presiding in the Ogle county circuit court at Oregon Saturday, granted the temporary writ. The firm of Dixon, Devine, Bracken & Dixon of this city represents the city of Polo, while Attorney D. B. Ellis of Elgin appears for the defendant.

The injunction writ was obtained by counsel for the city of Polo to restrain Ames from using the sewage system until the action could be made permanent. The complaint recites that a large amount of whey, milk refuse and other deleterious material is emptied into a sewer connection and carried to an intercepting sewer, then through the sewage disposal plant.

Claims Plant Injured

The plaintiff contends that the substances deposited in the sewer system by the defendant hinders the operation of the sewage disposal plant by bringing about a chemical reaction that prevents its proper operation and results in great damage to the plant. The complaint states that the defendant has been repeatedly notified of the conditions existing and has been forbade the use of the sewage system for the purpose of carrying away the waste matter from the creamery plant.

The temporary injunction by Judge Zick at Oregon Saturday continues in effect until Judge Dixon rules upon the motion filed by Ames' attorney to dissolve the writ, which is to be argued Saturday in Dixon.

## Jap Hordes Score

## 30 Days In County Jail—

Willard Hobbs, this city, was sentenced to serve 30 days in the county jail when arraigned today on a charge of issuing worthless checks.

## Injured Man Comfortable—

Everett Ebricht, chef at the Nachusa hotel, who was painfully injured in an automobile accident about 10 o'clock Tuesday morning, was reported to be resting comfortably at the Dixon public hospital today.

## Last Day for Committeemen—

Tomorrow is the last day for the filing of petitions with County Clerk Sterling Schrock for precinct committeemen. Prospective candidates in several townships had not filed their petitions at noon today and Clerk Schrock urged the filing at once.

## New State Policeman—

Robert G. Gilbert of Polo, who recently received an appointment to the state highway police, reported for duty Tuesday morning in District 1 at Sterling.

## Reckless Driving Charge—

August Stahl was arraigned before Judge Grover Gehant in Lee County court today on an information charging reckless driving. He was arrested last Friday one mile east of Dixon on state highway route 2 by state police. Upon furnishing bond in the amount of \$1,000, the hearing was continued until the June term of court.

Informed sources believed the way was cleared for the raid by last Friday night's attack by British parachute troops on the Nazi radio location station at Bruneval, just north of LeHavre.

They declared demolition of this station had allowed the RAF bombers to cross the French coast and approach Paris undetected, and predicted that bombing of the Renault plant would be duplicated in other attacks on industrial areas in northern France.

## Address on Burma Tonight—

C. W. Van Patter, superintendent of maintenance, and H. M. Gordy, vice president and general manager of the Keeshin Motor Express company of Chicago were in Dixon today. The former will address a public gathering at a dinner program at the Elks club house this evening, recounting his experiences of one year in establishing a motor transport system over the famous Burma Road in China.

## Scouters Meet Tuesday—

Last evening a group of Scouters of the Lee-Ogle district enjoyed a fellowship dinner, followed by a program in Dixon. Retiring chairman F. A. Hanson of this city presented his successor, Harold Ross of Mt. Morris. Reports of several committees were given and plans for the coming year were discussed. Arch Stocker, Scout executive of Rockford was present and talked on the outlook of the Scout program in this locality.

## Age Limit for Militia Up—

Captain J. M. Brady, commanding Co. A, Illinois Reserve Militia today announced that the age limit of members of the local company has been increased from 50 to 55 years. A large percentage of membership of the company have been taken either by enlistment or induction into service which has necessitated the extension of the age limit. It is hoped that the company may be formed to full time strength at once and any within the new age limit who are interested are requested to contact officers of the company.

## Facilities Are Taxed—

Varied activities have taxed practically every department in the Loveland Community House to the limit. A recreational survey, recently conducted for the purpose of ascertaining anticipated increased demands for facilities in connection with the establishment of the defense plant south of the city was made, which included the Community House. Every department of the building is occupied each evening of the week and some organizations who have sought use of the building have been rejected. At present, Red Cross activities in the building cover a period of 15 weeks.

Americans in 1940 paid an all time high tax bill of \$2,130,147,000 in connection with ownership and operation of motor vehicles.

## Mrs. Payne Tells of Her Life With Slain Mattingly

Bloomington, Ind., March 4.—(AP)—Mrs. Caroline G. Payne, on trial for murder in the slaying of Charles O. Mattingly, told in court today a story of long association with the man into whose body she is alleged to have fired five pistol shots the night of last July 5.

The 45-year-old business woman, wearing a dark, blue dress with a white collar, testified Mattingly came to her home in Bloomington in 1926 as a roomer after they had become friendly. They breakfasted together almost daily and attended shows and made motor trips together.

Mrs. Payne said Mattingly continued to room at her home until July 10, 1939.

Some times, Mrs. Payne said, Mattingly left the city after she had obtained a job for him as claim agent for the Monon railroad but he would write to her every night and she added: "He spent the week-ends with me."

At one time Mrs. Payne's voice broke. She seemed on the verge of tears. From there on she referred to Mattingly as "Doc" instead of "Mr. Mattingly" in her testimony.

She told of providing Mattingly with money to open a law office in Bloomington. Asked why she did this, she replied:

"Because I loved him."

The state charges that Mrs. Payne shot the 41-year-old Mattingly, who had become attorney-examiner for the Indian Public Service Commission, because of jealousy over his marriage to his secretary. He was shot as he and his bride sat in a friend's home here.

## Naperville Man Is Berve Successor

Springfield, Ill., March 4.—(AP)—William W. Knoch of Naperville became fiscal supervisor in the state welfare department today, succeeding Ben L. Berve, Republican state committee chairman who resigned from the welfare post effective March 1.

Knoch was transferred to the \$4,300 a year position from the state department of finance, where, for several months, he has been supervisor of the sales tax division.

In announcing the appointment last night, Governor Green said Knoch also was being made responsible for "all personnel matters" in the welfare department. Gail Ransom, chief personnel officer of the department, will report directly to Knoch, the announcement said.

Recently the managing officers of state hospitals and other welfare institutions, meeting at Elgin, adopted a resolution criticizing the appointment of "personnel officers" at a number of the larger institutions. The personnel officers, many of them Republican county chairmen, were said by the institution managers to have infringed on their authority in the employment of staff replacements.

## Larry Allen Can Swim; Now Ready

(Continued from Page 1)

Miami, Fla., March 4.—(AP)—Larry Allen learned to swim, and today he is due in Washington as the first step of his return to duty as the Associated Press war correspondent with the British Mediterranean fleet.

His instructor, pretty Peggie Diehl, 24, professional swimmer and photographic model, called him a "marvelous student" and declared he should be able to escape and reach a piece of wreckage if another ship is sunk with him aboard.

Allen's determination to learn the art of aquatic locomotion was born of dire necessity. He has had three ships torpedoed under him, experienced 30 dive-bomber attacks, and last December slid feet first from the sinking British cruiser Galatea into the night-blackened waters of the Mediterranean with only an underinflated life belt to support him.

Allen's announced intention—before he first saw Miss Diehl—was to learn to swim 20 feet. After meeting her he thought 100 feet, the length of the Miami Biltmore pool, a better distance.

"He learned to swim the 20 feet", his instructor said laughingly yesterday. "I hope he'll come back to Miami to see about the other 80 feet."

In the year 1941 516,000 people were employed in auto, auto body and parts factories in the United States.

## The War Today

(Continued from Page 1)

was ambassador to Russia, is what the conservative Englishman calls a radical, and shudders as he says it. However, the leader of the house is a driving force so much so that Premier Churchill felt it wise to include him in the councils of the mighty.

Now you and I know that the allies are going to win the war. This is the only point in question is whether Sir Stafford is right in saying Russia will be the strongest European power—which is going some for an Englishman.

Well, long ago this column recorded the view that Russia would be the dominant power of Europe after the war, and nothing has happened to change that view. In fact the Soviet looks far stronger potentially now than it did before the Russo-Nazi conflict began. The least that can be said is that Moscow, Hitler was an outstanding figure in the pattern of the fabric from which peace will be cut.

When Hitler started the second World War by lashing out at Poland, he already was challenging England for the position of "Policeman of Europe". That wasn't so much a question of military might as of a politico-economic situation when I toured eastern Europe and the Balkans just after the Munich crisis. Hitler was the boss of that vast area, because of Germany's capacity for consuming the agricultural products of her neighbors and her ability to provide them with manufactured goods.

At that time Russia was mostly paying attention to her own knitting, and not intruding much politically in the rest of Europe. She was busy with Stalin's vast industrial program and the creation of a great army.

But now the position is entirely changed. Russia holds first place in European industrial production. The tremendous Soviet empire is far and away ahead of any other European country in resources. The Red army is numerically the greatest in existence, and the forthcoming battle with the Nazis will tell us whether it also is the most powerful.

Of course, it would be foolish to try to give a detailed forecast of power conditions for we don't know what peace will produce. However, the present prospect of a victorious Russia and a beaten Germany certainly support Sir Stafford Cripps' thesis.

# Bigger Facilities for Processing of Soybeans Planned

Expected to Be Able to Handle Record Crop Expected in 1942

Chicago, March 4—(AP)—Farsighted industrialists, who in recent years greatly expanded facilities for processing soybeans, now are increasing the nation's capacity even more to handle the record of 1942 crop which farmers have been asked to raise for the war effort.

Existing plants, which have sprung up throughout the middle west the last few years with the soybean's phenomenal growth as a cash crop and industrial raw product, are being enlarged in a few instances and several new crushing units are being constructed.

The industry anticipates it will be able to handle the huge 1942 harvest asked by the government without difficulty. If necessary, cotton seed crushing equipment can be utilized in some localities where distant shipment of beans would not be necessary.

Normally, much of the nation's soybean processing machinery is idle part of the time during the year. By working possible the full year and speeding up equipment, processors estimate they could probably 115,000,000 bushels annually.

**Want Record Acreage**  
Under the revised 1942 production goal farmers are being asked to harvest 9,000,000 acres compared with 8,555,000 acres in 1941, the previous record. Last year 42 per cent of the total acreage of beans grown was cut for hay or plowed under. If the 1942 yield is as good as it was in 1941, the acreage this year would produce about 164,000,000 bushels compared with 106,712,000 in 1941.

Requirements for seed and the possibility that the yield will not be as great as it was in 1941 would reduce the crop in line with the industry's expanded capacity. The amount of the total crop crushed in recent years has been about 65 per cent. If this same percentage follows through in 1942, crushing would take about 107,000,000 bushels.

**Facilities Expanded**  
Expansions of facilities recently completed or under way include those at the plants of Spencer-Kellogg & Sons, Inc., and A. E. Staley Manufacturing Co., Decatur, Ill., and Glidden Co., Chicago. Ralston-Purina Co. is building a mill at Iowa Falls.

Latest bureau of census figures showed 69 plants were crushing soybeans at the close of last year, including some cottonseed mills, compared with only 52 plants during the 1937-39 period. Most of the plants now in operation have been erected the last decade, during the rise of the soybean in importance.

Research to expand the already multitudinous uses which have been found for soybeans is being pushed everywhere, although as yet only a small percentage of the crop finds use in anything other than animal or human food. Recent developments in the food line include canning of beans as a staple vegetable and their combination with meats in a stew.

## Grand Detour

Mr. and Mrs. Clifford Barth moved recently from Dixon and are now settled in the Bert Flick cottage here.

Mr. and Mrs. Robert Weiss spent the week end in Danville, Ill., with the former's brother who will be leaving this week for the army.

Mr. and Mrs. Alfred Parks motored to Polo on Friday where they attended the funeral of Mrs. Allison Pollock.

Mrs. Elmer Winnebrenner returned to her position in Mt. Morris on Monday after having spent eight weeks in the home here.

Mrs. Barth of Dixon is spending a few weeks here with her son Ted Barth and family.

Mrs. H. S. Senn who was visiting with her daughter, Mrs. Alfred Parks and family had the misfortune to fall and break her left shoulder on Wednesday evening. She is still at the Parks home where she is being cared for.

Mr. and Mrs. Thomas Jordan and family moved on Monday from Dixon to the Pieper apartment here on Monday.

Mr. and Mrs. Lawrence Albright of Dixon spent Saturday evening with Mr. and Mrs. Wales Sheller.

Mr. and Mrs. Harold Netz spent Saturday evening with Mr. and Mrs. Charles Senn.

Mrs. Hattie Moser entertained a large circle of relatives on Sunday at a scramble dinner, honoring her son Melvin who will be leaving on Wednesday morning for the army.

Mr. and Mrs. Leonard Reed spent Sunday afternoon with the former's parents, Mr. and Mrs. Tom Reed.

The sons and daughters of Edward Senn of Dixon, called on their grandmother Mrs. H. S. Senn Sunday afternoon.

Mrs. John Page spent the past two weeks in Chicago and LaGrange with relatives and friends.

## LAKE SCHOOL APPROVED

Washington, March 4—(AP)—The president yesterday approved a school project in school district No. 6, Lake county, Ill., as necessary to provide adequate facilities for children of industrial war workers and members of the armed forces. Tentative financing includes a federal court grant of \$37,000 and \$10,000 in applicants' funds.

# Saved from Torpedoed U. S. Destroyer

## COMPTON

Mrs. T. Bauer, Reporter

Mrs. Edna Irwin and Mrs. Lilian Bauer spent Thursday with the latter's sister, Mrs. Fred Katzwick at Amboy.

Mr. and Mrs. Ralph Miller, Mr. and Mrs. Francis Bauer, Ann Archer, Mr. and Mrs. Gerald Johnson and sons, Mr. and Mrs. Bud Jacobs and son spent Sunday with Mr. and Mrs. Gene Baker near Rollo.

Mr. and Mrs. John Holdren, Mr. and Mrs. Don Gilmore, son Gary spent Sunday afternoon at the J. W. Burd home in Dixon.

Mrs. Don Gilmore and Mrs. John Holdren were shopping in Rockford Friday.

Mrs. Walter Archer and infant son James Jonathan returned home from the Harris hospital Tuesday morning.

Mr. and Mrs. Wendell Swope entertained with a farewell party at their home Thursday evening for Mr. and Mrs. Louis Kessler and Mr. and Mrs. Will Aughenbaugh. 500 was enjoyed and a lunch served.

The card party given at the Weber school Friday evening by Mildred Weisenel was attended by a large crowd. 500 was played and prizes were won by Mrs. Leo Eggers, first and Dorothy Hackman, low, George Webber, high, and Steve Hart, low. A delicious lunch was served to all.

Mr. and Mrs. Wilbur Zinke entertained Monday evening with a solo and 500 party. The ladies winning prize in 500 were Minnie Erbes, first; Mrs. Leo Eggers, second and Mrs. Leo Eggers also won the traveling slam prize. A delicious lunch was served by the hostess.

## Idyle Hour Club

The Misses Hilda and Loretta Poltsch entertained the club with a card party Thursday evening. Prizes went to Mrs. Esther Kern high, and Mrs. Phyllis Archer, low, Leo Eggers, high and Clyde Walker, low. The hostesses served a delicious lunch.

## School Notes

Monday, Feb. 23rd marked the closing of the 4th six weeks of school in Compton. Following is the honor roll for that period:

Primary room: Roger Bunting, Marilyn Gilmore, Janet Swope, Barbara Thompson, Eleanor Bunting, Audrey Thompson.

Grammar room: Joan Davis, Edward Gilmore, Dean Zimmerman, Dorothy Bunting, Bobby Davis, Richard Zimmerman, Charles Bunting, Hugh Richardson, Bruce Daw.

High school: Marjorie Chaon, William Herrier, Helen Ford, Earl Hahn, Robert Bernardin, Robert Arjes, James Taylor, James Corwin, Norma Eddy.

## Birthdays Celebrated

Henry and Frank Chaon were honored guests at the former's home Thursday evening when relatives came to help them celebrate their birthdays which were February 25 and 29. The men enjoyed solo and the ladies played 500 with prizes going to Mrs. Walter Gillette, high and Mrs. Wellington Chaon, low. A delicious scramble lunch was enjoyed by all. The honored guests were each presented money for remembrance. Those who attended were Mr. and Mrs. Frank Chaon and daughter Helen Louise, Mr. and Mrs. Leroy Chaon and daughter, DeLyle, Mr. and Mrs. Oliver Chaon and daughter Darlene, Mr. and Mrs. Walter Delhotal and family, Mr. and Mrs. Lionel Chaon and sons, Mr. and Mrs. Henry Glaser, Mr. and Mrs. Walter Gillette Mr. and Mrs. Ivan Glaser and son Jimmy, Louis Chaon and daughter Rosetta, Mr. and Mrs. Oliver Auchstetter, Mr. and Mrs. Sylvester Jones and son, Mr. and Mrs. Wellington Chaon and daughters, Mr. and Mrs. Henry Chaon, Marjorie, Arthur and Miss Poltsch.

# Gov. Green Speaks at Princeton Forum Next Sunday Night

Governor Dwight H. Green will speak on the Princeton Methodist Church Forum on Sunday evening at 7:30 o'clock.

This is the third number on this year's program, the preceding speakers being Congressman E. M. Dirksen and Colonel Paul G. Armstrong.

The meeting Sunday evening will be open to the public. The address by Governor Green will be strictly of a non-political nature.

The Forum committee consisting of Guy Park, Paul Dean, John W. Naffziger, Curtis Gleason and Floyd French is planning to present at least one more number before the close of the season.

Friday, March 6, has been declared an institute day by the county superintendents of Stark, Henry, and Bureau counties for those elementary teachers, school board members, P.-T. A. members, and others who wish to attend the conference to be held in Kewanee Central Junior high school on that date.

The conference will open at nine o'clock with the registration of teachers. Following the opening general assembly two discussion periods will be held before noon and one immediately following the noon hour. A closing general meeting beginning at 2:25 will be addressed by Dr. Edwin Reeder of the University of Illinois. A final evaluation of the conference will be made by Dr. David E. Lindstrom of the University of Illinois.

Some 300 teachers from the three counties are expected to attend.

The following Bureau county teachers helped in planning and preparing the program: Harley Foster, Ohio; Audrey Kiser, Walnut; Mrs. Beulah Wessell, Walnut; Mrs. Lucile McKie, Neponset; Miss Bernadine Olds, Wyand; Miss Laura Miller, Tiskilwa; Miss Gertrude Steimle, Bradford.

## MUST Cooperate in Forming Farm Labor Placement Program from Illinois

Springfield, Ill., March 4—(AP)—Howard Leonard, state director of agriculture, announced today the development of a farm labor placement program as a step toward relieving the acute shortage of farm workers in Illinois.

Cooperation of farm bureaus, county officers of the Agricultural Adjustment Administration and downstate selective service boards has been asked jointly by Leonard and Col. Col. Paul G. Armstrong, state selective service director. Leonard said the draft boards are being asked to consult with county farm advisers and members of the federal department of agriculture's county war boards for details on the farm labor program.

The war boards in each county will be instructed to register available farm workers, present claims for deferment of essential farm workers and be prepared to furnish draft boards with information as to the importance of certain farm products and the scarcity of the men qualified to produce them.

Manila, largest city in the Philippines, was founded in 1571.

Ida Longbein, John Erbes and Mrs. Louise Eaton.

## Idyle Hour Club

Mrs. Esther Henkel of Mendota entertained the club at her home Tuesday. The afternoon was spent in sewing and airplane bunco with prizes being won by Mrs. Eunice Loach high and Mrs. Eldora Walker, low. The hostess served a lovely lunch. The club will meet in two weeks with Miss Loretta Poltsch.

## FORRESTON

MRS. LYLE MARKS  
Reporter  
Phone 6722

Mr. and Mrs. Arthur Hedrick entertained guests Sunday in honor of their daughter and son-in-law, Mr. and Mrs. Charles Furman, Jr., newlyweds. Those present were: Mr. and Mrs. Charles Furman, Sr., and daughter Velda of Leaf River, Mr. and Mrs. Eldon Spencer and daughter Judy, Mr. and Mrs. Eugene Hedrick and Mr. and Mrs. Charles Furman, Jr. of Rockford.

Karen Olive Spring, little daughter of Mr. and Mrs. Owen Spring has been dismissed from the Deaconess hospital at Freeport, where she had been receiving medical treatment. Mrs. Minnie Kennedy and Mr. and Mrs. Richard Roche spent Sunday with friends in Lanark.

Mrs. Rena Alberts has moved to the Mrs. Cina DeWall property, which she has purchased.

William Maas of Beloit, Wis., spent the week end with his parents, Mayor and Mrs. Joseph Maas, Sr.

Miss Arlene Mani of Winslow was a week end guest in the Henry Maas home.

Mr. and Mrs. Frank Acker attended funeral services Saturday at Freeport for Mrs. Acker's brother-in-law, Frank Kleckner.

Mr. and Mrs. C. A. Beebe, Mrs. Jo Beebe, Mr. and Mrs. Harry Fager, Mr. and Mrs. Lee Beebe and Mr. and Mrs. Jack Janesen were Sunday guests of the Lazier Seed Co. at Rochelle.

Corporal Owen Spring of the U. S. Marines, who has been in a San Diego, Calif. hospital for several months, arrived home Thursday for a visit with home folks.

Mr. and Mrs. Vernon Spaide and family of Freeport were recent visitors in the home of Mr. and Mrs. Elmer Gasmund.

Mrs. Matilda Hepner has returned to her home after spending several weeks in New York City.

Mrs. Henry Maas is able to be out again following a long illness.

Mr. and Mrs. Carl Marks and son Carl, Jr. of Leaf River were guests Saturday of Mr. and Mrs. Charles Abels.

George Gershbaugh who has been ill for several months, remains in a serious condition.

Grand canyon of the Colorado river, as it flows through Arizona, is five to six miles wide at the top, and in some places 5,000 to 6,000 feet in depth.

More than one-half the persons arrested in the U. S. for crimes against property, are 25 years old or younger.

# Midwest Launches Another Navy Ship

The first U. S. navy vessel built in Illinois in World war II, the YMS-84, a 136 foot mine sweeper, sliding down the ways into the Chicago river. After finishing touches and tests by navy inspectors, she will proceed to salt water. (NEA Telephoto.)

# Proposes Income Tax on Pay Check

Secretary of Treasury Henry Morgenthau (right) with R. L. Doughton, chairman of house ways and means committee, after telling plans to double income tax and add other levies. (NEA Telephoto.)

# Efficiency of Wool Production is Now of More Importance

Urbana, Ill.—Since only about half as much wool may be produced as is needed to supply 1942 war and home needs, careful harvesting, handling and marketing are imperative, in the opinion of W. G. Kammlade, professor of sheep husbandry at the University of Illinois College of Agriculture.

This country will produce about 500 million pounds of wool, while the nation's needs are for more than a billion pounds. In addition the demand for pelts with 1/4 to 1/2 inch of wool on them is unprecedented in the nation's history.

Because wool is the highest priced per pound of any commodity regularly produced on Illinois farms, Kammlade urges sheep men to give their flocks rations and care that make possible the highest production of wool.

Ewes yielding heavy fleeces often return 100 per cent more for their wool than those producing light fleeces. Sheep of the same breeds vary greatly in wool production, and producers should select those that have heavy, good quality fleeces.

The amount of wool a sheep will produce is indicated by the length,

density or compactness of the fibres and how completely the body is covered. The weight of the individual fleeces, which may be readily determined at shearing time, together with a few other factors, will provide a satisfactory basis for culling.

"The only sensible basis for the selection of the best animals is their producing ability. Now that the nation's need for wool is very great because of the war, sheep raisers should strive for maximum yields from their flocks," Kammlade said.

## URGED FOR PROMOTION

Washington, March 4—(AP)—Lieut. Ludwig William Gumz, retired, Waukegan, Ill., was recommended by a naval board for temporary advancement to the rank of lieutenant commander. The navy department, in its announcement, said the promotion would be effective when the bureau of navigation had computed the dates of the commission in accordance with regulations.

China's second largest province is Yunnan, through which runs the greater part of the 726-mile Burma road, chief military supply line for the Chungking government.

An organization of clerks, formed by George Williams of London in 1844, was the foundation of the present Young Men's Christian association.

# The Inoculation of Legumes Is of More Importance in 1942

Urbana, Ill.—For many Illinois farmers, the inoculation of legume seed with commercial inoculants will be one of the best investments they can make in 1942, believes O. H. Sears, professor of soil biology at the University of Illinois College of Agriculture.

Because the cost is small and gains are large for each acre, this soil treatment will return the largest dividends for the amount invested, he said.

If the 5 million tons of limestone spread during 1940 and 1941 in Illinois are to be most effective for soil improvement and food production, deep-rooted legumes, such as red clover, sweet clover and alfalfa, should be seeded on this land. Legume nodules bacteria do not live long in acid soil, and Sears says it is almost certain that land which was sour enough to be limed in 1940 and 1941 is deficient in legume nodule bacteria.

Consequently, it is not only important to grow legumes on this land but also to make sure that inoculated legumes are seeded.

## More Soybeans

Illinois farmers have indicated that they will grow a million more acres of soybeans in 1942 than were grown in 1941. A considerable part of these additional million acres will be growing soybeans for the first time. On such land, failure to inoculate the soybean seed may result in a loss of 5 to 10 bushels of soybeans to the acre. At the present price of beans, the penalty for failure to inoculate would be rather high in dollars and cents.

On limed land on which common legumes have been grown frequently, inoculation is still an economical form of insurance. It is rarely safe to omit inoculation of legumes, and this will be particularly true in 1942, with food production so important in the national defense program, Sears said.

# Green Proclaims Annual Arbor and Bird Days Today

Springfield, Ill., March 4—Governor Dwight H. Green today issued the annual arbor and bird day proclamation designating Friday, April 17, and Friday, October 16. He asks for the proper observance of the days in the public schools throughout the state. The proclamation follows:

"Illinois is fortunate in having extensive forested areas and numerous wooded parks. The woodlands of our state are important alike in their beauty and their commercial usefulness.

"The birds of Illinois are a delight to all nature lovers, and an invaluable help in checking the spread of insect pests.

"By long-standing custom and by enactment of our General Assembly, the governor of Illinois is directed to set aside certain days each year as Arbor and Bird Days, in recognition of the importance of trees and birds.

"Now, therefore, I Dwight H. Green, Governor of the State of Illinois, do hereby proclaim Friday, the Seventeenth day of April, and Friday, the Sixteenth day of October, of the present year, as Arbor and Bird Days for the State of Illinois. And I request that the public schools throughout the State observe these days by appropriate exercises and programs."

Demand JANTROL'S VERMIFUGE!

# Roosevelt's Health Fine as 10th Year in White House Dawns

President Little Changed by Burdens of Events, Says Physician

Washington, March 4—(AP)—President Roosevelt began his tenth year in the White House today, little changed by the burden of events that might have broken the health of many men.

The President's physician, Rear Admiral Ross T. McIntire, says his ability to remain calm in the face of great trials was the main reason for his good health today.

Admiral McIntire says nine years in the White House have left little mark on the chief executive. The war, however, has cut down on those frequent rest trips away from the Capital, and continuous war problems have interrupted his warm-water swims in the White House pool.

Here is a brief review of his administration:

1933—Proclaimed national bank holiday and started congress on 100 days of emergency legislation to bulwark financial structure.

1934—New deal reform program started moving from emergency to more permanent measures for social security.

1935—NRA and AAA held unconstitutional by Supreme court, provoking President's famous "back to the horse and buggy days" comment; utility holding company act passed; WPA created.

1936—Re-elected to second term. Roosevelt-Garner ticket winning over Landon and Knox by 523 to 8 in the Electoral College; visited South America and initiated program that later solidified the continent against the axis.

1937—Lost Supreme court reorganization fight; foreign policy began taking shape with October 5 speech at Chicago assailing aggressors and urging they be "quarantined."

1938—Made bid for support of "liberal" Republicans and invited "conservative" Democrats to leave new deal camp; undertook personal campaign to defeat Democratic critics, but only one thus attacked failed to come back to congress.

1939—Addressed personal messages to Hitler and Mussolini in effort to avoid European war; war broke in September.

1940—Created national defense commission; gave 50 old destroyers to Britain for naval base rights in Western Hemisphere; first peace-time draft held; re-elected to third term on ticket with Henry Wallace, winning 449 to 82 over Willkie and McNary.

1941—Initiated lend-lease program; promulgated Atlantic Charter in sea conference with Prime Minister Churchill; Pearl Harbor attacked; war declared on Japan, Germany and Italy; second draft held.

1942—26 nations adhered to Atlantic Charter; unified commands agreed upon in Roosevelt-Churchill Washington conferences; War Labor Board created; army reorganized; President rejects "turtle" policy and says war will be carried "to the enemy in distant lands and distant waters—as far as possible from our own home grounds."

## Pork Removed from Blue Stamp List of SMA Food

Urbana, Ill.—Pork has been removed from the list of foods available for blue food stamps as the result of recent sharp advances in pork prices. It is announced, by Buell Maben, regional director of the Surplus Marketing Administration.

While on the list, pork accounted for 23.8 cents of the blue stamp food dollar spent across the mid-western grocery counter.

With the exception of pork the list of foods available during March is the same as for February. Eggs, one of the protective health foods, remain on the list and offer a readily available substitute for meat during the time of year when egg production is heavy and prices are subject to seasonal decline, Maben indicated. Eggs accounted for 13.9 cents of the food stamp dollar, according to SMA records.

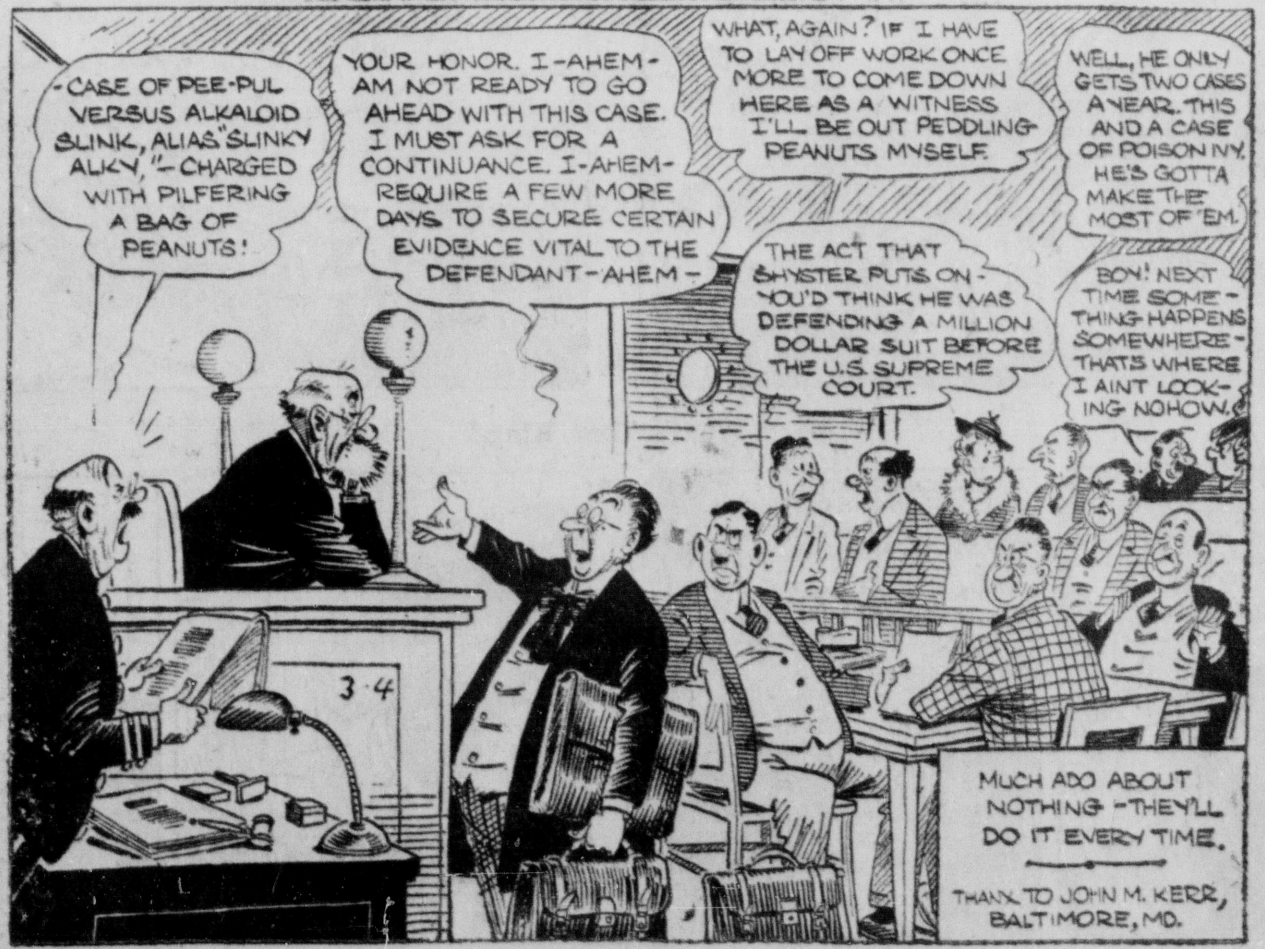

The complete list of blue stamp foods available for the period March 1 through March 31 in all stamp areas include: shell eggs, butter, fresh grapefruit, pears, apples, oranges, fresh vegetables (including potatoes), corn meal, dried prunes, hominy (corn) grits, dry edible beans, wheat flour, enriched wheat flour, self-rising flour, enriched self-rising flour and whole wheat (graham) flour.

# Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

## Jr. Woman's Club

Members of the Junior Women's club will hold a district meeting at the Pankhurst Memorial library on Thursday evening at 7:30. Mrs. Mildred Yoe, 13th district junior chairman, of Byron, and Mrs. Dee D. Thompson of Compton will be there. Mrs. Thompson is the district president and will be the main speaker. All Junior club members are expected to attend.

## Weekend Guests

Mr. and Mrs. Arthur Cook and Miss Rose Moutaugh spent the weekend visiting Mr. and Mrs. Ed Grohens in Rockford.

## Pinochle Party

Mr. and Mrs. Ed Jones entertained with a pinochle party at their home on Monday evening. Prizes were won by Mrs. Joseph Schmeier and Michael Full. Delicious refreshments were served late in the evening.

Mrs. Alma Lewis returned to her home Sunday after undergoing surgery at the Sublette hospital.

Miss Lucille Barth of Davenport, Ia., spent the weekend visiting her parents, Dr. and Mrs. H. C. Barth.

Mr. and Mrs. Glen Hecker and family have rented the McKinnon house on South Mason avenue.

Mrs. Roy Merrifield spent the weekend visiting her parents, Mr. and Mrs. F. N. Vaughan. She returned to Maywood Monday.

Mr. and Mrs. Tom Leppard of Dixon spent Monday with their daughter and son-in-law, Mr. and Mrs. Kirkley McKinnon.

Miss Ethel Lewis of Purdue University, Lafayette, Indiana, spent the week-end visiting her mother, Mrs. Alma Lewis.

Mr. and Mrs. Melvin Koeppin have moved into the upper flat in the house occupied by Mr. and Mrs. Ray Hill on North Jefferson avenue.

## Dinner Bridge

Mr. and Mrs. William Hull entertained their club at a dinner bridge party at their home on Sunday evening. Mrs. Lester Ullensvang was winner of ladies' high and William Wadleigh high for men.

## Dessert Bridge

Mrs. Walter Weber entertained at a dessert bridge at her home on Thursday afternoon. Mrs. John Fielding won first, Mrs. O. N. Eckburg second and Mrs. Mayme Jones low. The group will meet in two weeks at the home of Mrs. O. N. Eckburg.

## At Great Lakes

Oliver Dickinson who left Thursday for the U. S. Navy is stationed at the Great Lakes Naval Training school. His address is Oliver P. Dickinson, Company 168, U. S. Naval Training station, Great Lakes, Ill. His many friends can address cards and letters to the above address.

## Accepts Position

Miss Jane Dickinson who has been attending business college in Dixon is assisting in the offices of the land appraisers, located on the third floor of the court house. She began her duties on Friday morning.

## Hospital News

Mrs. Orville Miller of West Brooklyn who has been a patient, returned home Saturday.

Mrs. Robert Van Natta is recovering nicely after undergoing surgery.

Mrs. Ivan King and daughter of Dixon returned to their home on Friday.

Shirley Smith, daughter of Mr. and Mrs. Wilbur Smith returned to her home on Friday after undergoing an emergency appendectomy.

Mrs. John Sullivan is doing nicely after a recent major operation. Miss Mary Sweeney, R. N., who was on special duty, was dismissed on Friday night.

Robert Garrett, Peter McCullough and Robert Minnel are still receiving care at the hospital.

Mrs. Everett Ehman underwent major surgery Monday.

Mr. and Mrs. Michael Full and daughter Rosetta, James Liston and Roland Full spent Sunday in Peoria visiting Mr. and Mrs. Edwin Drewitz and daughter Sandra and Miss Betty Full of St. Francis hospital.

Mrs. R. H. Hanskins and son Billy of Alhambra, Ill. came Saturday evening to visit at the home of her parents, Mr. and Mrs. Roy Powers and other relatives and friends.

Miss Elaine Coffey was an overnight guest of Miss Margaret Ann Schwamberger on Friday evening.

Mr. and Mrs. Darrell Reigen-speiger of Dixon spent the week-end visiting her parents, Mr. and Mrs. William Gillan.

Mr. and Mrs. Ralph Daum and family have moved into their new home which they recently purchased from Fred Bybee. The Bybee family moved to their home on the west side.

Mrs. R. H. Hanskins of Alhambra

bra was a Sunday dinner guest of Mrs. Ann Stallion.

Mr. and Mrs. F. D. Plummer of Divernon, Ill. spent the week-end with their son Oscar Plummer, who is a relief operator at the I. C. depot in Eldena.

Jack Elliott of Chicago spent Sunday visiting at the home of Mrs. Catherine Hammond and daughter Rosemary.

Mr. and Mrs. Joe Miller and daughter Mitzi of Dixon spent Sunday visiting her parents, Mr. and Mrs. William Herzog.

Private John Powers of Camp Grant spent the week-end with his parents, Mr. and Mrs. Bill Powers.

Mrs. Kenneth Buifer of Chicago

visited her grandmother, Mrs. Catherine McCaffery and other relatives for several days.

Mrs. Bert Wilhelm of Evansville, Wisconsin who visited Mr. and Mrs. John Fielding last week, returned home.

Mr. and Mrs. Bruno F. Reinboth motored to Sterling on Wednesday afternoon and remained overnight visiting their daughter and son-in-law, Mr. and Mrs. Darrell Farthing. They returned home on Thursday and their granddaughter Sandra Farthing came back with them to visit until Sunday when her parents came to spend the day.

Mr. and Mrs. Arthur Clark of Rockford spent the week-end vis-

iting at the Ed Clark and Miles Cox homes.

Mr. and Mrs. John Fielding spent Sunday at the Halligan home in Walton.

Mr. and Mrs. Farris Dale of Gridley, California spent Saturday at the home of the latter's grandmother, Mrs. Christine Lair.

Three of the Ralph Daum children entered St. Anne's school on Monday morning.

Miss Zetta Boehle of Rock Island spent the week-end visiting relatives here.

During winter months, the sun is seen to rise and set in the Pacific, in Santa Barbara, Calif.

## Scarboro

Mr. and Mrs. W. E. Byrd, Mr. and Mrs. Cliff Brett and Mr. and Mrs. H. J. Smith were supper guests Tuesday evening at the Ray Appler home.

Mr. and Mrs. Alvin Beemer, and Mr. and Mrs. E. E. Rees and Shirley spent Friday evening at the S. E. Rees home.

A large number attended the farewell gatherings held at the church Tuesday afternoon in honor of the five ladies leaving this community. At the close of the program each lady was presented with a lovely gift and all wished them happiness in their new surroundings.

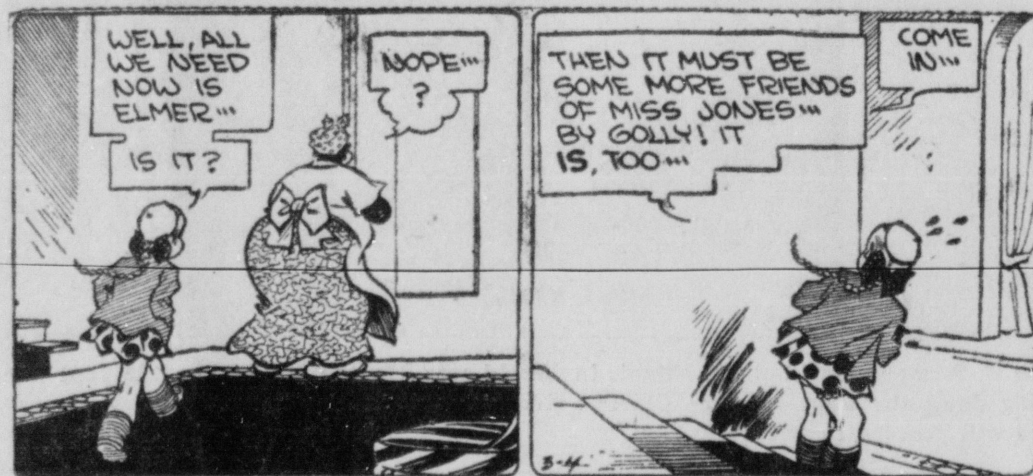

On Thursday evening friends and neighbors with well filled baskets appeared at the home of G. J. Thompson and surprised them with a gift of a lovely floor lamp in remembrance of their stay in this community.

Mr. and Mrs. Herb Blackwell and son from Rockford were callers at the S. E. Rees home Sunday.

Cary White and family, Fred Durin and family were Sunday evening supper guests at the Ellis Rees home.

Frank Wiley has again been on the sick list but at this writing is somewhat improved.

Melvin Watson

### Entertained Sunday Night

Mrs. Raymond Wolford, Mrs. Clark Phillips, and Miss Esther Ling entertained Sunday night and the Phillips home in honor of Scott Stultz who expects soon to be called to the U. S. Army. The evening was spent in social visiting and playing 500 at which Scott Stultz won high for men and Mrs. Sunday high for ladies. Delicious refreshments were enjoyed by Mr. and Mrs. Clark Phillips, Mr. and Mrs. Raymond Wolford, Mr. and Mrs. Carl Sunday, Scott and Douglas Stultz, Louie Leger, Wayne Dunseth, Elsie Spangler, June Group, Esther Ling, Ethel Crawford. A lovely birthday cake honored the birthdays of Elsie Spangler and June Group.

### Returned to Oak Park

Miss Nora Turnbaugh, who has been convalescing at the home of her brother, W. L. Sheep and daughters for the past several weeks, returned to Oak Park Friday where she will visit a friend, Miss Andrews. She was accompanied to Oak Park by her niece, Miss Harriet Sheep, who returned home the next day.

### Presbyterian Choir

Everything is set for the home talent play, which the Presbyterian choir will present at the gym Friday night at 8 o'clock. The plan promises to be a good one. The director of the choir, Mrs. Will Play and the director of the play, Mrs. Foster Mattern and the choir members have worked hard to make this play a success. The title, "Please Stand By" really tells the story. The tickets are priced very reasonable.

### Personals

Mr. and Mrs. Leslie Henry and baby have moved from Savanna to Amboy where he will be employed on the defense plant.

Mrs. Zilphia Peterman of Oregon spent Saturday afternoon with Mrs. Ada Peterman.

Mr. and Mrs. Joe Reynolds and family have moved from the Elmer Cline farm to the L. W. Sheep farm.

Mr. and Mrs. Ralph Roop and family of Steward were Friday guests in the home of his parents, Mr. and Mrs. Arthur Roop.

John Bellaza of Sandwich was here Sunday greeting friends.

Mr. and Mrs. Clayton Kesselring and daughter, Sharon Jane of Indianapolis, Ind., were week end guests in the home of his parents, Mr. and Mrs. C. E. Kesselring.

Mrs. Guy Moulton reports that \$113.35 has been turned over to the Red Cross from China township.

Mr. and Mrs. Vivian, parents of Mrs. Cecil Emmons moved Monday from Lee Center to the Mrs. Charles Bills residence.

Miss Georgia Peterman, who teaches school at Stillman Valley spent Saturday night and Sunday in the home of her mother, Mrs. Ada Peterman.

Mr. and Mrs. Carl Sunday and Roger Murshon visited Sunday in the home of Mr. and Mrs. Harold Murshon near Steward.

Mrs. Lloyd Group went to Woodstock Sunday afternoon for a few days visit in the home of her daughter, Mrs. Kenneth Hood.

Mr. and Mrs. Fred Johnston of Muscatine, Iowa were Sunday guests of Mrs. Lillie Johnston.

Mr. and Mrs. Arthur Roop attended a shower and reception for

### THAT "HATE TO WORK" FEELING

Does your work have to wait because you "don't feel like doing anything"? This laziness may be due to delayed bowel action. Give those lazy bowels a gentle nudge with ADLERIK's 5 laxatives and 5 carminatives. Try ADLERIK's today, your druggist has it.

their son Rodney and his bride at the Hugh Cruse home in Dixon.

### Birthday Dinner

Mr. and Mrs. Howard Miller, son Milton and daughter, Miss Audra were Sunday dinner guests in the home of Mr. and Mrs. George King and family in Lee Center. The dinner honored the birthdays of Milton Miller and June King.

### Been Promoted

Mr. and Mrs. R. W. Smith have received word from their son, Sergeant Scott Smith that he has been appointed instructor of the new recruits that come to Camp Forrest, Tenn. Scott has many friends here who will be glad to learn of his advancement.

### Entertained Club

Mrs. Mary Miller entertained the members of her card club at her home Friday night. Those present to enjoy the happy evening were: Mrs. Isabelle Canfield, and Mrs. Jesse Floto of Dixon; Mrs. Helen Weigle of Amboy; Mrs. Marie Kint of Ashton and her house guest, Mrs. Thell; Mrs. Pansy Biesecker, Mrs. Carrie Mong, Miss Esther Ling of this place. After bridge was played lovely refreshments were enjoyed.

### Enjoyable Evening

The Community Junior choir of which Miss Adeline Smith is the director, enjoyed a party Friday night at the home of her parents, Mr. and Mrs. R. W. Smith. Twenty-eight were present. Games were played after which cake and ice cream were served. At the close of refreshments, Miss Smith presented Mrs. S. L. Cover with a beautiful birthday cake in behalf of the choir. Mrs. Cover was celebrating her birthday anniversary.

### Bridge Party

Mr. and Mrs. Fred Gross entertained with a bridge party Thursday night. Those present were Mr. and Mrs. Will Jacob and son Bobby Lane of Mendota, Mr. and Mrs. Warren Leake, Mr. and Mrs. Christ Ulrich of Lee Center; Mr. and Mrs. William Wise of Ashton; Mr. and Mrs. Kenneth Gross of Dixon; Mr. and Mrs. Lyman Randall, Mr. and Mrs. Frank Brangan, Amboy, and Miss Alice Thornton of this place. At bridge, Warren Leake and Lyman Randall won high for men, Mrs. Ulrich and Mrs. Leake high for ladies and Miss Alice Thornton honor. At the close of cards lovely refreshments were served.

### Pay Dividend

Arthur C. Lueder, auditor of public accounts at Springfield has authorized the Franklin Grove bank to pay a dividend of 5 per cent, amounting to \$6,547.43 on waived deposits. Following the bank moratorium of March 1933, the depositors of this bank waived 50 per cent of their deposits. The amount waived totalled \$130,448.50. This is the sixth payment to be made to the depositors on the amount waived and brings the total returned to 70 per cent of the original waiver.

### Entertained Saturday Night

Mr. and Mrs. William Herbst entertained Saturday night at their home for her brother, Scott Stultz. Those present to enjoy the evening were: Mr. and Mrs. Leslie Stultz and sons, Mr. and Mrs. Dallas Stultz and daughter Judy, Mr. and Mrs. Donald Sunday, and Miss Ethel Crawford of Dixon, Douglas and Scott Stultz and Miss Elsie Spangler of this place. During the evening lovely refreshments were served.

### Sunday Dinner

Mr. and Mrs. J. E. Wolf entertained Sunday Mr. and Mrs. Claire Lehman of Berwyn; Mr. and Mrs. Howard Byer of Dixon; Mr. and Mrs. LeRoy J. Miller and daughters Jeannette and Audra, and Mr. and Mrs. Jay Miller and son Gerald of this place.

### Community Club

The Mong Community club held their meeting Friday night at the school house. About forty were present to enjoy the program which had been prepared by the committee composed of Ira Buck, Mrs. Will Burhenn and

## Safety Legion's Cruiser Visited by Many Dixon Children

Above is shown the Safety Legion cruiser which ended a two-day educational visit in Dixon Tuesday evening, departing for Amboy and Mendota. During the cruiser's visit in Dixon, made possible by Willard Jones, Lyle Prescott and Coss Brothers, hundreds of school children visited it and learned valuable lessons in safety. The \$33,000 car and crew of six exhibited a bed and bandaged person to illustrate the danger in riding two on a bicycle, also broken sled and roller skates belonging to young victims of automobile traffic. The cruiser holds an electric kitchen, dinette, marble bath room and shower, engine room with machinery to produce 5,000 watts of alternating current, a five-instrument telephone system and a two-way radio set for use in carrying on educational programs.

Mrs. Hendricks. The business session was presided over by the president, Mrs. Esther Hall. After the program, games were played and refreshments were served by Mrs. Frances Wendell and Mrs. Ethel Beeghly.

### Dinner in Compton

Miss Eunice and Lucy Gilbert and their nephew, Donnie Colwell motored to Compton on Sunday where they enjoyed dinner with Mr. and Mrs. Elliott Arnold and family. They were accompanied home by Mrs. Rebecca Colwell, who has been visiting in the Arnold home.

### Dinner Sunday

Mrs. Eva Miller and daughter, Miss Eunice entertained for dinner Sunday Mr. and Mrs. George Miller and family, the three Martin boys, Miss Jeannett Myers and brother, Frank.

### Frances Willard Memorial

A part of the W. C. T. U. meeting which was held on Friday, February 27 at the home of Mrs. Mary Trostle, was the fine program in memory of Frances Willard which was presented by the program leader for the day, Mrs. Elizabeth Blocher.

The meeting opened with singing and devotions were led by the Rev. Montanus. An article copied from the Franklin Reporter of September, 1882, referring to the visit of Miss Willard to our community and her speech on the camp ground during the temperance camp meeting, was read by Mrs. Linnie Buck. A beautiful vocal duet, "Trust in the Lord" was sung by the Rev. Montanus and Mrs. Ada Conour, accompanied by Mrs. Minnetta Moore. Mrs. Elizabeth Sunday told of the many permanent memorials to the memory of Frances Willard which were recorded by the W. C. T. U. at the time of the 100th anniversary of Miss Willard's birth in September, 1838 at the little town of Churchville, N. Y. While we do not have any permanent, tangible memorial to Miss Willard's memory in our community, we do

have the memory of two visits here and talks on the camp ground, both in the 1880's, though we do not have the exact date of the second visit. We also have a beautiful picture of Miss Willard which was presented to the W. C. T. U. and the community by Mrs. Minnie Lahman during her service as president of the organization. This picture has hung in the home of Mrs. Mary Trostle for several years, except when it has been placed in some public place during a special program. For the present, the picture will now hang in the Community high school assembly room.

Rev. S. L. Cover gave a fine talk on the W. C. T. U. and what it stands for—home protection. Mrs. Blocher, Mrs. Anna S. Buck and Mrs. Lulu Trostle each told of some special line of interest to which Miss Willard gave much of her effort. She was known as "the great organizer" and she often spoke of the Woman's Christian Temperance Union as a vast and growing network of telegraph lines with "stations" and "operators" established in all parts of the United States and possessions, each connected with the great central station of the national W. C. T. U. at Evanston, Illinois. She stressed, too, the building program of the organization, including that of mental development through education and study concerning the aims of its program of work; then the thought—often expressed by Miss Willard when some one would ask her to define in a sentence the thought and purpose of the Woman's Christian Temperance Union: "To make the whole world more homelike."

Mrs. S. L. Cover told of the memorial fund which bears Miss Willard's name and which came into existence and usefulness very soon after her death in 1898. An offering was taken to provide for our annual contribution to this fund.

Methodist Church Notes

Sunday school—7:30 p. m. Preaching at 8:00. Rev. Henke will bring the evening sermon.

### Three Persons Killed As Car Hits Hayrack

Palmyra, Ill., March 4—(AP)—Three persons were killed and two others were injured when an automobile crashed into the rear of a horse-drawn hayrack on a Macoupin county road at dusk last night.

The dead were E. C. Costley, 58-year-old Chesterfield farmer; Henry Mayberry, a tenant on the Costley farm, and Richard McAfee, 16, son of Mr. and Mrs. Kenneth McAfee, also of Chesterfield. Mrs. Costley and Jesse Peacock, a farm hand, were injured. All were riding in Costley's car when the machine hit the hayrack on route 11 a mile south of Palmyra.

### FLUSH YOUR COLON WITH SMOOTH AND GENTLE FLUID BULK!

When acute constipation strikes, depend upon Pluto Water for swift relief—usually within an hour. and Mrs. Glenn Pfeiffer will move to the Wagner farm.

Miss Betty Jean Olson of Chicago spent the week end at the home of her mother, Mrs. Birdie Olson.

### Obituary

Mrs. Susannah Hilliard Butler, 78 years, passed away on Tuesday morning at the home of her daughter, Mrs. Ed Herwig, near Ashton. She is survived by ten children, Andrew Butler, Boyd Butler, Harry Butler of Ashton, Frank Butler of Franklin Grove; Austin Butler of Amboy, Mrs. Mary Gerbers, Mrs. Oscar Weiner of Ashton, Mrs. Raymond Schaffer of Franklin Grove and Mrs. Vernon Hill of Dixon, and one brother, Isaac Hilliard of Ashton. She was preceded in death by her husband and one son, Gus of Ashton.

Funeral services will be held on Thursday afternoon at 2 p. m. at the Evangelical church with Rev. Zager officiating.

It is easy to keep your bumper jack from slipping if you keep on hand a few pieces of rubber about one by two inches. One of these folded in the notch of the jack will keep the jack intact.

The average farmer makes 392 automobile trips a year, only 85 of which fall outside the category of a necessity trip.

## If Your Child Catches Cold Listen-

## Your Car Is More Valuable Than Ever Now - - KEEP IT THAT WAY!

Because there will be no more new automobiles manufactured for the duration of the war, your car will become more and more valuable if you keep it in top mechanical condition. Small repairs, done at the time they are needed, are somewhat expensive and for this reason we have established our "Car-Renewing Plan" through which we will completely correct all mechanical and appearance defects at a quoted price for the complete job and give you the same guarantee, just as though you had purchased one of our OK used cars.

Have Your Car Brought Into Tip-Top Shape Now--Use Our

## CAR RENEWING PLAN

It's Important That You Have the Job Done

## NOW!

We have the finest skilled mechanics available and can still get necessary parts to do a complete Renewing job—but because of the present emergency we do not know when it will no longer be possible to obtain parts. OUR ADVICE TO YOU is to have the complete job done now while we can do it for you. You can pay for it in convenient payments.

## AND PAY ON OUR BUDGET TERMS

In order to help you keep your car in good running order; to help you maintain its economical operation—Newmans are in a position to offer you a special plan whereby you can finance repairs on your car, whatever the make or model—and pay for them on regular, convenient monthly payments. Bring your car to us today. We will give you an estimate on a complete car renewing job and finance the job for you.

### ABOUT YOUR TIRES

A well-balanced wheel will give you from 30 to 50% more mileage than an unbalanced wheel. We have the finest machinery to test and adjust your wheels to give you the maximum of tire mileage. ASK US ABOUT WHEEL ALIGNING AND BALANCING TODAY.

### HAVE YOUR CAR SIMONIZED NOW!

Renew the appearance of your car by letting us simonize it. This will add life to the finish and will greatly improve its appearance. Ask us about it.
